Oviedo. Crónica de un siglo es la historia de dos calles fundamentales en la vida ovetense: Cimadevilla, tradicional meridiano de la vida social, y Uría, nueva vía por donde Vetusta rompe su secular entramado urbano, hecho que va a forzar la paulatina renovación de hábitos y formas de vida. Juan de Lillo, con brillante pulso literario, construye una crónica -antecedente histórico familiar de muchos ovetenses de hoy-, en la que la riqueza de datos, nombres, situaciones y anécdotas componen una obra singular.

La presente bibliografía se organizó en vista del siguiente criterio: incluir todas las obras de autores, mexicanos o extranjeros, que contengan informes o cuadros estadísticos, datos, noticias y, en general, materiales aprovechables para estudios estadísticos. Por lo tanto, en primer lugar deberían incluirse los estudios sobre cuestiones de método, las aplicaciones estrictamente metodológicas y las obras formadas exclusiva o predominantemente por tablas o cuadros estadísticos; en segundo lugar, las obras de geografía, historia, sociología, economía, etc. .
