This guide highlights the place of translation in our culture, encouraging awareness of the process of translating and the choices involved, making the translator more 'visible'. Concentrating on major writers and works, it covers translations out of many languages, from Greek to Hungarian, Korean to Turkish. For some works (e.g. Virgil's Aeneid) which have been much translated, the discussion is historical and critical, showing how translation has evolved over the centuries and bringing out the differences between versions. Elsewhere, with less familiar literatures, the Guide examines the extent to which translation has done justice to the range of work available.
