AdrenalineMoto is an authorized dealer of Parts-Unlimited and claims no ownership or rights to this catalog. The Parts Unlimited 2014 Street catalog is more than [just a book.] It is designed to help you and your customers get the most out of your passion for powersports. It showcases the new, exciting, in-demand products, as well as highlighting trusted favorites. The well-organized catalog sections make it easy to find the items you want. And every part is supported with the latest fitment information and technical updates available. Looking for tires? See the Drag Specialties/Parts Unlimited Tire catalog. It has tires, tire accessories and tire/wheel service tools from all the top brands. And for riding gear or casual wear, see the Drag Specialties/ Parts Unlimited Helmet/Apparel catalog. Combine all three catalogs for the most complete powersports resource of 2014.

2003-2006 HONDA CBR600RR Moving to a new Amish settlement in small-town Colorado was a brave new start for independent-minded quiltmaker Esther Kiem. But helping her reckless relative will really put her special matchmaking skills to the test . . . Mischievous and rebellious, young Ben Kiem is making the wrong kind of name for himself throughout the town of Byler. And even though his sister-in-law, Esther, somehow coaxes him into keeping company with sensible Linda Eicher, Ben can't see anything they have in common. Or that he could ever be good enough for someone like her. But Linda's down-to-earth nature and unexpected understanding have Ben trying his best to be better, no matter how challenging . . . Linda couldn't be more surprised when Ben turns out to be caring and helpful, despite his rowdy pranks and bad-news friends. And falling in love with him suddenly seems just right. But when a heartbreaking misunderstanding comes between them, both she and Ben must risk enough to trust, stitch the pieces back togetherand dare a forever precious happiness. Praise for Jennifer Beckstrand and Abraham ¶This is an endearing romance that fans of Wanda Brunstetter will love.¶ Publishers Weekly

"Catriona" is the SWEET/CLEAN edition of "Highland Song" by Tanya Anne Crosby -- a New York Times bestselling author and her daughterCatriona is no stranger to solitude. Driven deep into the Highland mountains, her people have become little more than legend. But no one knows better than Catriona that you cannot hide from fate. Read what happens when a fey, flame-haired beauty, wearing nothing but woad, turns her hand to captivating the last of the Brodie men... For readers who prefer romance without strong language or sex. This is a clean read book.BOOK DETAILSBook Five of Tanya Anne and Alaina Christine Crosby's Sweet Scottish Brides series A full-length novel PG-rated: Kisses only, no love scenes! Contains new scenes Humorous historical romance CONNECTING BOOKS. HIGHLAND SWEETHEARTSWhile Catriona can be read as a stand-alone novel, many readers enjoy reading it as part of a series. The following titles will be coming soon!PageMeghan SeanaElizabet

Riding motorcycles is fun, but author Ken Condon maintains that there is a state of consciousness to be achieved beyond the simple pleasure of riding down the road. Riding in the Zone helps riders find that state of being. It's the experience of being physically and mentally present in the moment, where every sense is sharply attuned to the ride. Your mind becomes silent to the chatter of daily life, and everyday problems seem to dissolve. You feel a deeper appreciation for life. Your body responds to this state of being with precise, fluid movements, you feel in balance, your muscles are relaxed, and it seems as though every input you make is an expression of mastery. This is "the Zone." Condon identifies all of the factors that affect entering the Zone and addresses each one individually, from the development of awareness and mental skills to mastering physical control of the motorcycle. At the end of each chapter are drills designed to transform the book's ideas into solid, practical riding skills. Riding in the Zone takes riders to the next level in their skill set.

A WWII history told from US and Japanese perspectives¶an impressively researched chronicle of the months leading up to the atomic bombing of Hiroshima¶ (Publishers Weekly). During the closing months of World War II, two military giants locked in a death embrace of cultural differences and diplomatic intransigence. While developing history's deadliest weapon and weighing an invasion that would have dwarfed D-Day, the US called for the [unconditional surrender] of Japan. The Japanese Empire responded with a last-ditch plan termed Ketsu-Go, which called for the suicidal resistance of every able-bodied man and woman in ¶The Decisive Battle¶ for the homeland. In 140 Days to Hiroshima, historian David Dean Barrett captures war-room drama on both sides of the conflict. Here are the secret strategy sessions, fierce debates, looming assassinations, and planned invasions that resulted in Armageddon on August 6, 1945. Barrett then examines the next nine chaotic days as the Japanese government struggled to respond to the reality of nuclear war.

OUR CULTURE HAS BECOME OBSESSED WITH HUSTLING. As we struggle to keep up in a knowledge economy that never sleeps, we arm ourselves with life hacks, to-do lists, and an inbox-zero mentality, grasping at anything that will help us work faster, push harder, and produce more. There's just one problem: most of these solutions are making things worse. Creativity isn't produced on an assembly line, and endless hustle is ruining our mental and physical health while subtracting from our creative performance. Productivity and Creativity are not compatible; we are stuck between them, and like the opposite poles of a magnet, they are tearing us apart. When we're told to sleep more, meditate, and slow down, we nod our heads in agreement, yet seem incapable of applying this advice in our own lives. Why do we act against our creative best interests? WE HAVE FORGOTTEN HOW TO FLOAT. The answer lies in our history, culture, and biology. Instead of focusing on how we work, we must understand why we work¶why we believe that what we do determines who we are. Hustle and Float explores how our work culture creates contradictions between what we think we want and what we actually need, and points the way to a more humane, more sustainable, and, yes, more creative, way of working and living.
