100 HUNDRED STROKES OF THE BRUSH BEFORE BED is an autobiographical novel about a 15-year old Sicilian girl looking for love and self-discovery through sexual exploration. An international sensation when it was originally published in Italian, this English translation is very literal and as a result uses stilted English (the male anatomy is referred to as a lance) that may strike some as awkward or perhaps poetic.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

So far, Leslie has managed to keep her unwholesome appetites in check, but when her husband travels out of town to attend a medical conference, she takes the opportunity to commit her first act of adultery. What ensues is a stunning plunge into the depths of desire and despair as Leslie realizes that, once freed from the boundaries of convention, her urges can never again be contained or satisfied. Hailed by the New York Times as a □novel of unusual power□ about □a spiritual sister to Dostoevsky's □underground man,□ □Pretty Leslie is a testament to the astonishing powers of R. V. Cassill's imagination. It is also, from first page to last, a thrilling, unrelenting, and absolutely unforgettable sexual drama.
