business; it is about vaping the yummy e-liquids. Let me ask, have you tried any organic e-juice yet? Well if you haven't, you are missing out and I think you owe it to yourself to at least make a few flavors yourself and try it. You may ask why I should make my own when I can just order from an online retailer right? In case you haven't noticed, the prices of e-liquids have doubled in last two years, especially if you are buying the USA made organic e-juice. Last time I bought a 30ml bottle of an organic e-juice I paid \$27.50 plus shipping!! I have been making my own e-juice for four years now, and I suggest you try making a batch too. Trust me it can be an awesome and fun experience to be able to create something you can call your own brand. But more importantly, the cost savings can be reason enough that you would want to start making your own. Just to give you an example, to make a 30ml bottle of any flavor of organic e-juice at home can cost you around \$3-\$5 depending on what flavoring you use. Now to buy same the quality and quantity e-juice from any reputable online or local retailers can cost you \$20-\$28. The difference is \$23!!!!!!!!!!!!!! When you vape a store bought liquid, do you ever say, "I wish they added one more drop of menthol or little more coffee flavor to this juice"? Well when you make your own, you don't have to wish that anymore, just add more or be more creative and mix a few recipes together and come up

with a unique one that has your signature on it. If you end up making a few great recipes, you can even start your own brand and try to market them as premium organic e-juice, online and have a business that you never thought you would have. The possibilities are endless! But wait, things don't have to be that bad, and you don't have to exhaust yourself trying to perfect your eJuice recipes. I have gone through the trouble for you because I was keen to learn and perfect my art of eJuices for myself and my friends, and I'm ready to share it here with you! What does this book include? This book covers the basics of preparing e-Juices by yourself as well as the ingredients that are required in detail, as those who are new to it can find it difficult to adjust to the terms and ingredients as they are a bit different from conventional cigarette ingredients. Once you understand the basics of the ingredients, we will cover the equipment required, which isn't much. It is easy, and you can do it with a bit of effort. Next up, once you are ready, you can get started with the recipes where I bring tried and tested e-Juice recipes to you that are sure to elevate your vaping experience to a whole new level. THE COMPLETE GUIDE TO JUICING, DIETING, AND CLEANSING USING A SLOW-MASTICATING JUICER

Thanks to the masticating juicer, which crushes fruits and vegetables into a smooth juice without destroying vital nutrients the way heat-producing centrifugal juicers do, the health benefits of drinking homemade juices has reached incredible new heights. Packed with over 300 recipes, Cold Press Juice Bible is the ultimate guide to getting the most out of these revolutionary machines. By juicing at home, consumers can choose exactly which ingredients to put into their bodies, skipping processed sugars and artificial ingredients in favor of organic fruits and seasonal vegetables that are chock-full of minerals, vitamins, and life-saving antioxidants. Cold Press Juice Bible explains how to maximize health benefits while balancing the complex flavors these machines are capable of extracting. In addition to fruit-by-fruit and veggie-by-veggie nutritional breakdowns, the author shows readers how to mix and match a wild variety of ingredients to create delicious artisanal flavors. Going beyond recipes, the book lays out four different juicing diets readers can incorporate into their daily regimens, ranging from short detoxifying cleanses to weight-busting, long-term diet strategies.
