The Islamic Revolution in 1979 transformed Iranian society and reshaped the political landscape of the Middle East. Four decades later, Dariousb Bayandor draws upon heretofore untapped archival evidence to reexamine the complex domestic and international dynamics that led to the Revolution. Beginning with the socioeconomic transformation of the 1960s, this book follows the Shah's rule through the 1970s, tracing the emergence of opposition movements, the Shah's blunders and miscalculations, the influence of the post-Vietnam zeitgeist and the role of the Carter administration. The Shah, the Islamic Revolution and the United States offers new revelations about how Iran was thrown into chaos and an ailing ruler lost control, with consequences that still reverberate today.

In this first of a massive three-volume work, Seta B. Dadoyan studies the Armenian experience in the medieval Islamic world and takes the reader through hitherto undiscovered paradigmatic cases of interaction with other populations in the region. Being an Armenian, Dadoyan argues, means having an ethnic ancestry laden with narratives drawn from the vast historic Armenian habitat. Contradictory trends went into the making of Armenian history, yet most narratives fail to reflect this rich texture. Linking Armenian-Islamic history is one way of dealing with the problem. Dadoyan's concern is also to outline revolutionary elements in the making of Armenian ideologies and politics. This extensive work captures the multidimensional nature of the Armenian experience in the medieval Islamic world. The author holds that every piece of literature, including historical writing, is an artifact. It is a composition of many elements arranged in certain forms: order, sequence, proportion, detail, intensity, etc. The author has composed and arranged the larger subjects and their sub-themes in such a way as to create an open, dynamic continuity to Armenian history that is intellectually intriguing, aesthetically appealing, and close to lived experiences.

A collection of five stories about princesses from Disney movies, including "Cinderella," "Snow White," "Beauty and the Beast," "Sleeping Beauty," and "Aladdin."

Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumnus of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s – felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines – she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai.

One of the most enduring divas of Hindi cinema, a producer and director for films and television, dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease. No other industry name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart from starring in mainstream super-hits like Johny Mera Naam, Jugnu, Andaz, Seeta Aur Geeta, Sholay and, more recently, Baghban, she received critical acclaim for her performances in Lal Patthar, Khushboo, Kinara, Meera, Ek Chadar Maili Si and Razia Sultan. But there is much more to her than just her Bollywood journey.From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have plagued her in her political avatar, from her relationships to her religious beliefs and her recent tryst with singing, Hema Malini: Beyond the Dream Girl covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema icons, someone who has truly lived life on her own terms.

Yesterday's Melodies Todays Memories is a rare collection of profiles of all important music-makers of the Hindi Film Industry between 1931 and 1970. It not only gives a biographical background of each music artiste, but it goes further to interview many of the surviving giants and completes the task by listing some of the best songs with which that person is associated. Here are singers that include the whole gamut from KL Saigal to Asha Bhosle, lyricists that include Sahir and Gulzar, music composers from Naushad to RD Burman, artistes that were part-time singers and full time actors like Ashok Kumar, melody queens like Noor Jahan and Lata Mangeshkar, gentlemen lyricists like Prem Dhawan and gentlemen singers like Manna Dey, mischief-makers like Kishore Kumar and rebels without pause like OP Nayyar and Majrooh Sultanpuri. In fact, this book is a house in which all these great talents live happily, each in a separate room, given space for self-expression. The serious research that has gone into this book is evident as you move from one chapter to another, opening layers after layers presented non-seriously. Over 100 music makers are presented this way and many more in a huge single chapter.
