space, however,
has the
potential to
undermine our
future security.

Many in
Washington

for space and
warfare. Some
perceive space

look upon space as a preserve not to be despoiled by earthly strife. After forty years of discussion, the debate over America's role in space rages on. In light of the steady increase in

purposes,
American's
vacillation on
this issue could
begin to pose a
real threat to
our national

that this policy
dysfunction will

manifest itself
in diminished
