Few cars in modern times have caused as much of a stir as the turbocharged Subaru Impreza. It came from nowhere at the start of the 1990s to claim three successive World Rally Championships for its makers in the middle of that decade, and went on to become an enthusiasts' car thanks to its affordability, high performance - and, of course, the glorious exhaust note of its unusual flat-four 'boxer' engine. This book examines the three generations of Subaru Impreza WRX and WRX STI from 1992 - 2012, including how the roadgoing cars were developed from the successful rally models, production history and specification details. Topics covered include:

History of the Impreza, and early days in competition with the Leone and the Legacy models. Construction and derivatives of the distinctive flat-four engine. Innovations in the Impreza's four-wheel-drive system. Design and specifications for special editions. Includes material from Prodrive on their limited edition models. Examines both rally and roadgoing cars.

This is an automotive maintenance and repair manual for the VW Beetle vehicles. The book is suitable for the DIY mechanic.

Victoria Banks was not your average teen. She was the oldest child in a high ranking, wealthy family and attended the most exclusive school. Her life was what any young girl would dream of. However, it was far from perfect. Beneath the glistening surface were lies, deceit, chaos, and war. After a dangerous encounter left her car totaled and her body bruised, she began to...change. Suddenly, she was thrown into a new world, where years of family secrets flooded her life. Victoria learns she is one of many shapeshifters, created to hunt down and kill bloodthirsty vampires. Does she choose to go home? Or does she choose to forsake her old life, and fight in a war to save the souls of mankind from the ultimate evil?
