On March 2, 1998, ten-year-old Natascha Kampsusch was kidnapped, and found herself locked in a house that would be her home for the next eight years. She was starved, beaten, treated as a slave, and forced to work for her deranged captor. But she never forgot who she was-and she never gave up hope of returning to the world. This is her story.
On 2 March 1998 ten-year-old Natascha Kampsusch was snatched off the street by a stranger and bundled into a white van. Hours later she found herself in a dark cellar. When she emerged eight years later, her childhood had gone. In 3,096 Days Natascha tells her incredible story for the first time: her difficult childhood, what exactly happened on the day of her abduction, her imprisonment and the mental and physical abuse she suffered from her abductor, Wolfgang Priklopil. 3,096 Days is a story about the triumph of the human spirit and how, against inconceivable odds, Natascha managed to escape unbroken.

In late October 2006, one of the most spectacular kidnappings cases of the younger past had come to end, when Natascha Kampsusch freed herself after being held captive in a hidden cellar (near Vienna, Austria) for more than eight years. Media companies from all over the world came to cover her life story, which has taken quite some twists since then. The result: two autobiographies, a feature film, several documentaries and hundreds of interviews – all within a decade. “10 Years of Freedom” offers us an insight into the impact such a nightmarish captivity has on a young woman’s life. It tells the story of a naive victim, that had to learn to cope with the real world after being locked away for her whole youth. The author spans a wide range of themes from her first days in freedom and the turbulent times after gaining it again to a never-ending trauma, which she will have to deal with for the rest of her life. Natascha declares that she wasn’t prepared to be a public figure after all, but was suddenly confronted with a heavy and controversial media coverage (including speculations by reporters regarding Stockholm syndrome and roleplaying, along with being labelled “cellar girl” and “sex slave”). Also, wild conspiracy theories gained popularity, resulting in several trials and review boards (including police and FBI investigations). Despite everything, she found certain ways to reconnect with her family and even founded/initiated several charity projects (e.g. the creation of a children’s ward in Sri Lanka or the support of PETA, an organisation for animal rights). “Your book is remarkable. 10 Years of Freedom, I urge everyone to read it.” - Piers Morgan, ITV “It’s a very powerful read.” - Huw Edwards, BBC “Very brave.” - Emma Barnett, BBC

‘I stood there for a moment, silently speaking to myself: Josefina, you will survive this. You are strong. You are a fighter. You adapt.’ As a young mum-of-three, Josefina Rivera was determined to get her troubled life back on track. But then she met Gary Heidnik and the next four months became a living nightmare. Along with five women Josefina was held captive in a cellar where she was starved, beaten, and repeatedly raped to fulfil Heidnik’s desire of creating a ‘family’ of ten children. Cellar Girl is the shocking but ultimately inspiring story of how one brave, young woman saved herself and others from a life worse than hell.

Called the “sex slave,” and “the girl in the box” case, this is the story behind Colleen Stan’s terrifying, seven-year-long imprisonment by Cameron Hooker as told by the district attorney who tried the case. Too bizarre to be anythin g but true, it is a tale of riveting intensity and gripping courtroom drama.

The #1 New York Times Bestseller A bestselling book that is inspiring the nation: “We have written here about terrible things that we never wanted to think about again . . . Now we want the world to know: we survived, we are free, we love life.” Two women kidnapped by infamous Cleveland school-bus driver Ariel Castro share the stories of their abductions, captivity, and dramatic escape On May 6, 2013, Amanda Berry made headlines around the world when she fled a Cleveland home and called 911, saying: “Help me, I’m Amanda Berry. . . . I’ve been kidnapped, and I’ve been missing for ten years.” A horrifying story rapidly unfolded. Ariel Castro, a local school bus driver, had separately lured Berry, Gina DeJesus, and Michelle Knight to his home, where he kept them chained. In the decade that followed, the three were raped, psychologically abused, and threatened with death. Berry had a daughter–Jocelyn–by their captor. Drawing upon their recollections and the diary kept by Amanda Berry, Berry and Gina DeJesus describe a tale of unimaginable torment, and Pulitzer Prize–winning Washington Post reporters Mary Jordan and Kevin Sullivan interweave the events within Castro’s house with original reporting on efforts to find the missing girls. The full story behind the headlines—including details never previously released on Castro’s life and motivations–Hope is a harrowing yet inspiring chronicle of two women whose courage, ingenuity, and resourcefulness ultimately delivered them back to their lives and families.

When Natascha Kampsusch made her bid for freedom on 23 August 2006 after eight years held captive in a seemingly ordinary Austrian suburban house, her story horrified and astonished the entire world. How did she survive a childhood locked in a cellar What sort of young woman had emerged What kind of man was Wolfgang Priklopil, her abductor - and what demands had he made of her As the days and weeks passed and Natascha's TV interview failed to quell the curiosity, so the questions began to change. What exactly was the relationship between abductor and hostage Why had Natascha waited so long to escape when it seemed there had been other, earlier opportunities Did Natascha's parents know Priklopil before he kidnapped their daughter Allan Hall and Michael Leidig have tracked the story from the days of the 10-year-old's disappearance. They have spoken to police investigators, lawyers, psychiatrists, and to the family members closest to Natascha. They have come as close as possible to uncovering the full, shocking story. It is a story that tests the limits of our understanding of how human beings behave - and makes our hearts bleed for the plight of an innocent child caught up in a horror story almost beyond our imagining.

Throughout my captivity, I was never told what was going to happen next or why. This lack of knowledge was used by Master to maintain a continuous element of fear and control over me. Anytime I was taken out of the box, I never knew what to expect. Fear of the unknown was always with me as I was kept in the dark both physically and mentally. This lack of knowledge may have been a good thing in one sense. If I had known the length of my tombment after returning from Riverside, I'm not sure I would have survived. Of course, I'm not sure even Master knew how long he was going to keep me in the box. A few days passed then a few more. Then weeks passed followed by months. Months slowly turned into years. I would spend the next three years of my life (1981-1984) in the box sleeping, dreaming, and praying. I have to assume my lengthy confinement in the box came about because Master was concerned he had given me too much freedom. Maybe he felt he was losing control of his slave. Too many neighbors had seen me, and questions about my status in the Hooker household were surely to arise. A fast thinking family member in Riverside may have copied down his vehicle tag number. What if the police knocked on his door one day looking for Colleen Stan? What if they searched the mobile home? Would anyone think to look under a waterbed for the girl in the box? Master wanted to keep me out of sight until the heat had passed. The other reason for putting me into storage was Ma'am. I'm sure she wanted me out of her life, out of her children's lives, and out of her husband's life. Master was not ready to let his slave go. Cloistering was the only answer. My daily routine soon became predictive as I was allowed out late in the evening after the girls had gone to bed. I emptied my bedpan, drank a large glass of water, and ate cold leftovers in the front bathroom. Sometimes the leftovers were true leftovers that had been out all day and the family didn't want.

In the follow-up to her #1 bestselling memoir, A Stolen Life, Jaycee Dugard tells the story of her first experiences after years in captivity: the joys that accompanied her newfound freedom and the challenges of adjusting to life on her own. When Jaycee Dugard was eleven years old, she was abducted from a school bus stop within sight of her home in South Lake Tahoe, California. She was missing for more than eighteen years, held captive by Philip and Nancy Garrido, and gave birth to two daughters during her imprisonment. In A Stolen Life Jaycee told the story of her life from her abduction in 1991 through her reappearance in 2009. Freedom: My Book of Firsts is about everything that happened next. “How do you rebuild a life?” Jaycee asks. In these pages, she describes the life she never thought she would live to see: from her first sight of her mother to her first time meeting her grownup sister, her first trip to the dentist to her daughters’ first day of school, her first taste of champagne to her first hangover, her first time behind the wheel to her first speeding ticket, and her first dance at a friend’s wedding to her first thoughts about the possibility of a future relationship. This raw and inspiring book will remind you that there is, as Jaycee writes, “life after something tragic happens.Somewhat, I still believe that we each hold the key to our own happiness and you have to grab it when you can in whatever form it might take.” Freedom is an awe-inspiring memoir about the power we all hold within ourselves.

A raw and powerful memoir of Jaycee Lee Dugard's own story of being kidnapped as an 11-year-old and held captive for over 18 years On 10 June 1991, eleven-year-old Jaycee Dugard was abducted from a school bus stop within sight of her home in Tahoe, California. It was the last her family and friends saw of her for over eighteen years. On 26 August 2009, Dugard, her daughters, and Phillip Craig Garrido appeared in the office of her kidnapper's parole officer in California. Their unusual behaviour sparked an investigation that led to the positive identification of Jaycee Lee Dugard, living in a tent behind Garrido's home. During her time in captivity, at the age of fourteen and seventeen, she gave birth to two daughters, both fathered by Garrido. Dugard's memoir is written by the 30-year-old herself and covers the period from the time of her abduction in 1991 up until the present. In her stark, utterly honest and unflinching narrative, Jaycee opens up about what she experienced, including how she feels now, a year after being found. Garrido and his wife Nancy have since pleaded guilty to their crimes.
