The purpose of this manual is to provide clear and helpful information for maintaining gravel roads. Very little technical help is available to small agencies that are responsible for managing these roads. Gravel road maintenance has traditionally been "more of an art than a science" and very few formal standards exist. This manual contains guidelines to help answer the questions that arise concerning gravel road maintenance such as: What is enough surface crown? What is too much? What causes corrugation? The information is as nontechnical as possible without sacrificing clear guidelines and instructions on how to do the job right.

Guide to information on ... cars and light trucks.

Chilton's Perennial Edition Service Manuals contain repair and maintenance information for all major systems that may not be available elsewhere. They include repair and overhaul procedures, thousands of illustrations, and troubleshooting. This 1978 Truck & Van Manual offers a wide range of repair information on domestic and imported Trucks and Vans from 1971 to 1978.
