Provides definitions and study tips for over sixteen hundred frequently used SAT words and includes strategies for memorizing the words and answering questions on the test.

In this best-selling sequel to Fairy Dust and the Quest for the Egg, Newbery Honor-winning author Gail Carson Levine and illustrator David Christiana spin a riveting fairy tale about the dangers of dreams come true.

The 7-Day Prayer Warrior Experience is a free eBook from bestselling author Stormie Omartian, developed using excerpts from Prayer Warrior and Prayer Warrior Prayer and Study Guide. Are you equipped for spiritual battle? Take the next seven days to "put on the whole armor of God, that you may be able to stand against the wiles of the devil" (Ephesians 6:11). Join Stormie as she explains the pieces of armor, what they mean, and how they can help you be a prayer warrior in your spiritual battle. With devotional thoughts, suggested prayers, ways to dig deeper, and opportunities to connect with Stormie and a whole community of prayer warriors, The 7-Day Prayer Warrior Experience will empower you with the truth that "He who is in you is greater than he who is in the world" (1 John 4:4).

The author shows how Plath's remarkable lyric dramas define a private ritual process. The book deals with the emotional material from which Plath's poetry arises and the specific ritual transformations she dramatizes. It covers all phases of Plath's poetry, closely following the development of image and idea from the apprentice work through the last lyrics of Ariel. The critical method stays close to the language of the poems and defines Plath's struggle toward maturity. Originally published in 1979. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.

Offers a collection of true facts about animals, food, science, pop culture, outer space, geography, and weather.

Within the pages of this anthology, now in its second edition, you ' ll find 39 American poets from across the twentieth century. In his introduction, editor and Guggenheim fellow Donald Hall, describes the face of American poetry as "subjective." The American poem " reveals through images not particular pain, but general subjective life . . . The poet uses fantasy and distortion to express feeling. "

"Brings together a unique collection of personal documents and critical essays to help illuminate both the legend that Sylvia Plath became and the reality behind its inception. The introduction combines a thoughtful consideration of Sylvia Plath's life and art with a fascinating account of the difficulties involved in trying to resurrect the "real" woman from the ashes scattered in her wake after her suicide" --from back cover.

A young poet recalls his personal encounters with Robert Frost, Ezra Pound, T.S. Eliot, and Dylan Thomas and speaks of their private and literary concerns, especially in their later years.
