Read for Insights, Improve Your Life, & Make an Impact \* INSIGHTS present you with a shift in the way you think about an idea or topic. They provide you with a realization that you should change the way you think about something and reconsider the actions that you take. \* Insights from reading have the power to provide us with priceless nuggets of knowledge and wisdom. For example, you may discover a key piece of advice that helps you move away from a bad situation and to change your life around. Or you may discover words that aid you to help someone close to you in need of advice or support, perhaps helping you to save a life. Seeking out and reading insightful books will help catapult you to higher levels of success, happiness, physical and emotional health, understanding, wisdom, and peace. This is because when you read, you have access to some of the most brilliant and inspirational people of all time, and the lessons they learned. The problem is most of us learn how to read superficially in school, rather than in a deep and meaningful way. Thankfully, The Insightful Reader will help you to choose the right books to read, get more out of what you read, create a better life through reading, and ultimately to become an insightful reader, learner, and thinker. Whether you read hundreds of books or just a few per year, you will benefit from this book. With the insights you acquire through reading, you can change and empower yourself, aid those around you, and ultimately make an impact on the world. Why focus on reading? Reading is a unique vehicle for learning, where the cost in money and time for the insights gained is quite low. A workshop or course will cost magnitudes more, while you may not learn any more than you would from books. Also, you tend to learn much more from reading than you would in audio or video formats, when given the same time. Focus on becoming an Insightful Reader, and you will accomplish your goals much more effectively and efficiently. Internationally bestselling author I. C. Robledo has written The Insightful Reader based on a personal love for reading, learning, and applying what he learns. He has read over 400 books, thousands of general articles, hundreds of academic articles, and hundreds of short stories and poems. Robledo wishes to show you how to improve your reading abilities based on his experience. Inside, you will discover how to: - Find high quality, interesting books efficiently - Hunt for insights instead of meaningless facts - Make more time to read and stop making excuses - Take notes adaptively, depending on your goals - Stop getting distracted while reading - Read different books differently, depending on your purpose - Learn more effectively from very challenging books (e.g., college textbooks or highly technical texts) - Apply what you read - Bonus: 200+ high quality and insightful book recommendations Learn how to read better books and get the most out of them today with The Insightful Reader. Pick up your copy today by scrolling to the top of the page and clicking BUY NOW.

might this be? Well, the internet has all the facts we need at our fingertips. Then cameras store our pictures, and smartphones contain the phone numbers of everyone we know. With so much information being recorded for us, the brain has little that it actually needs to remember. This may be good for productivity, but is bad for our memories. The problem is when we apply our memories less and less, our ability to remember can also get worse and worse.... The solution here is simple. We must practice and exercise our memories. Thankfully, in Practical Memory you will discover simple systems and exercises anyone can use to improve their memory. This way, you can see progress immediately, without needing to spend precious time learning difficult techniques (as with many other memory books). Internationally bestselling author I. C. Robledo has examined “ordinary” people with powerful memories. Studying such people is useful because they tend to use simple, practical “common sense” systems that we could all benefit from. Now, those tips are all compiled here into one convenient resource. Inside, you will discover: - How to recall even the most difficult memories (e.g., on the tip of your tongue) - Why intending or planning to remember is a key step to building memories - How to stop forgetting your purse/wallet, phone, camera, etc. - Why too much routine can be bad for your ability to remember - How to remember where you parked the car - Special tips for how to remember new locations when traveling (and stop getting lost) Start building a more powerful memory today with Practical Memory.
