We bought our Electrolux 7kg frontloading washing machine EWF14742 5½ years ago on 20 December 2013. It was priced at \$989 but we bought it on sale for \$678. It only had a two year warranty. We originally bought this machine because the company's vacuum cleaners had a good reputation so we thought we'd try the washing machines.

A Circular Economy seeks to rebuild capital, whether this is financial, manufactured, human, social or natural, and offers opportunities and solutions for all organisations. This book, written by Walter Stahel, who is widely recognised as one of the key people who formulated the concept of the Circular Economy, is the perfect introduction for anyone wanting to quickly get up to speed with this vitally important topic for ensuring sustainable development. It sets out a new framework that refines the concept of a Circular Economy and how it can be applied at industrial levels. This concise book presents the key themes for busy managers and policymakers and some of the newest thinking on the topic of the Circular Economy from one of the leading thinkers in the field. Practical examples and case studies with real-life data are used to elucidate the ideas presented within the book.
