first senior ATP win, first grand slam win at Roland Garros, first Wimbledon win and first Olympic gold medal. Written by Dominic Bliss, a veteran tennis journalist with a close personal knowledge of Rafa as a competitor and as a man, this biography tracks Rafa's journey from painfully shy pin-up boy to senior statesman on the ATP Tour. Structured around 10 key matches in his long career, it takes readers from his first national junior championship win at age 14 (when he played with the pain of a broken finger on his racquet hand) through to his 20th Grand Slam title in 2020 and the 2021 season, where he just fell short of his 21st title in an epic 5-set match with Novak Djokovic. of images of Rafa both on and off the court, and investigates what has motivated him to success, and who he is underneath his modest persona. Alongside this insight, Rafa - the King of Clay contains graphics which analyse his playing style, breaking down why he is such a successful athlete and examining his powerful combination of strength and skill. From his need for water bottles to be arranged 'a certain way' on the court, to his charity work raising \$17 million to help the Red Cross' efforts to support those impacted by the coronavirus pandemic, this book examines every angle of Rafa as a human being, a model athlete, a serial winner. This definitive work on one of tennis' all time greats is not to be missed!
