Forty-seven things that ruined me forever.Forty-seven was never going to be enough.There was no number great enough...47 Things. Ocean's 8 meets The Breakfast Club in this fast-paced, multi-perspective story about five teens determined to hack into one billionaire absentee father's company to steal tuition money. For Nari, aka Narioka Diane, aka hacker digital alter ego "d010s," it's college and then a career at "one of the big ones," like Google or Apple. Keagan, her sweet, sensitive boyfriend, is happy to follow her wherever she may lead. Reese is an ace/aro visual artist with plans to travel the world. Santiago is off to Stanford on a diving scholarship, with very real Olympic hopes. And Bellamy? Physics genius Bellamy is admitted to MIT--but the student loan she'd been counting on is denied when it turns out her estranged father--one Robert Foster--is loaded. Nari isn't about to let her friend's dreams be squashed by a deadbeat billionaire, so she hatches a plan to steal just enough from Foster to allow Bellamy to achieve her goals. Fast-paced and banter-filled, Lillian Clark's debut is a hilarious and thought-provoking Robin Hood story for the 21st century. "This well-paced debut follows exceptionally smart, thoughtful, and loyal friends navigating the morally ambiguous areas of life."--Kirkus "A smart and fast-paced debut that will intrigue heist aficionados and modern-minded Robin Hoods."--Booklist "Gleefully engrossing."--The Bulletin

"Liliana Cruz does what it takes to fit in at her new nearly all-white school, but when family secrets come out and racism at school gets worse than ever, she must decide what she believes in and take a stand"--

Bad boys. They've been Ruby Garvan's weakness since she started dating. But, when one of them took the 'bad' in the 'boy' too far, her bones broke... along with her spirit. She swore she'd never go down that road again. Her next boyfriend would be a 'nice guy'-a man with integrity, goals and a heart of gold. Armed with a stack of inspirational quotes and a list of traits her new man must have, Ruby goes in search of her happily ever after. She's convinced she's found it with her self-defence instructor-a kind hearted man named Joel, who cares for her deeply. But when Flynn Trotsky literally slams into her life with the force of a steam train, he quickly derails her plans with his unwavering interest and refusal to take no for an answer. After a drunken night of far too much honesty, the two strike a deal-two weeks for Flynn to show Ruby that he's not the bad boy she thinks he is. If he can't convince her, he'll go away for good this time. Ruby doesn't think he stands a chance against her resolve to turn her life around, and agrees to get the pesky dare-devil out of her way and hopefully out of her mind. But, when your friends are all on his side, the chemistry just might be too palpable for even the most stubborn red-head to ignore.... Standalone New Adult Romance featuring mature scenes.

Beautifully crafted stories of psychotherapy--told for the first time from the perspective of the therapist In her long career as a psychotherapist, acclaimed author Lillian Rubin occasionally encountered patients who demanded a very special, even unorthodox, therapeutic approach. For the first time, Dr. Rubin tells the stories of her most fascinating, most challenging case,'from the other side of the couch,' focusing not just on the patient, but on her own inner process as she confronts the issues each case raises. Each of the seven stories she tells is a moving journey into the human psyche, from the secret life of'The Woman Who Wasn't' or the extreme regression of'The White Hat' to the smoldering rage of'The Man with the Beautiful Voice.' Through these captivating tales, and in a thought-provoking introduction, Dr. Rubin illuminates the process of therapy and how it works, especially when rules need to be bent or even broken. For anyone who has been in therapy, or even wondered what happens behind those tightly sealed doors, this book offers a gift of insight.
