Love addiction manifests in many forms, from Fatal Attraction-type obsessive lust to less extreme but nonetheless psychologically and emotionally harmful forms. The most common of these is staying in a bad relationship because of a fear of being alone-the "I hate you but don't leave me" relationship. In ADDICTION TO LOVE, recovering love addict Susan Peabody explains the variety of ways this disorder plays out, from the obsessively doting love addict to the addict who can't disentangle from an unfulfilling, dead-end relationship. Peabody provides an in-depth and easy-to-follow recovery program for those suffering from this unhealthy and often dangerous addiction and explains how to create a loving, safe, and fulfilling relationship. • A seminal work on unhealthy and obsessive behaviors in love, and how to change behavior to have a positive relationship. This third edition includes a new introduction and revisions to the text throughout. • Some symptoms of love addiction include love at first sight, excessive fantasizing, abnormal jealousy, nagging, and accepting dishonesty. • Even relationships with parents, children, siblings, or friends may be addictive-dependency is not always related to romantic love. • Previous editions have sold more than 40,000 copies. "Love addiction is a three-headed serpent that Susan Peabody adeptly slays. This is the quintessential book for any love addict or counselor needing to fully understand this highly prevalent and complex disorder. Susan detects and dissects aspects of this condition not comprehended in other books of its kind. Recovery is possible. This book makes it possible to take the succinct steps necessary toward a loving and reciprocal long-term intimate relationship." —Sudi Scull, M.F.T., C.N., psychotherapist and nutritionist

Giddy euphoria, an elevated heart rate, clammy hands, increased blood pressure, facial flushing, dilated pupils. . . . these are the physical effects of 'falling in love' or being sexually aroused. These tell-tale signs of attraction are, in reality, caused by a cascade of electrical and chemical reactions in the reward centers of the brain, a reaction that also significantly increases feelings of well-being. Who wouldn't want to feel this way all the time? In fact, it would seem that love and sex (or their chemical components) are great drugs, and relatively safe too. But what happens when those euphoric feelings wane or someone calls it quits or the feelings are unrequited? Most people would move on; the same way most casual users of a drug such as cocaine or a behavior such as gambling don't become addicts.

Jezebel is the daughter of the vampire king at the Court of Eclipse. The kingdom is located in the mountains of North Carolina where it has been hidden away for hundreds of years. Jezebel is about to marry the man of her dreams, a werewolf of the court, then take the throne. Her world is destroyed along with her dreams as she is betrayed by someone she loves. Cole is a human slave to the court, docile and angry from the death of his mother and sister. He is taking care of the horses in the stables when she is swept up into Jezebels world where deceit and a plot for the throne might take down the whole kingdom. The two are drawn closer together as they face peril, uncover secrets and risk their lives all in the hopes of saving the kingdom.

When Kate Lock first met Tim Franklin she was a naive undergraduate, and he was a charismatic mature student. One night in the pub he casually revealed that he was a 'lifer'. A domestic dispute had taken a tragic turn, an accidental death, he said. It was the start of an explosive relationship which began in passionate union and ended in emotional cruelty. But it was only when Kate tried to leave him that she discovered how potentially dangerous he really was. And only when he died, leaving her a legacy of murder to investigate, did she understand the Machiavellian deception of the man and the pathological pattern of his love. Dangerous Love is a stunning memoir of a true romance that became a living nightmare, and ended with the discovery of a Christie-style murder that rocked the North.

In her professional life, Shary Hauer was a confident, successful, high-caliber executive coach who advised big-time corporate leaders around the globe—but her personal life was an entirely different matter. When it came to love, she was insecure, clingy, desperate, willing to do anything and everything to win and keep a man. Because without a man by her side, what good was she? In Insatiable, Hauer fearlessly chronicles her emotional journey from despair to hope, rejection to redemption, and self-hate to self-love, one man at a time. In candid detail, she relates what it is like to be trapped in the torturous cycle of love addiction—what it ' s like to be forever searching, needing, obsessing, scheming, and agonizing for love, suffering from a hunger that never ceases—and what it takes to break free of that cycle. An intimate, soul-baring tale that sheds much-needed light on one of the least understood and talked about addictions, Insatiable is the story of one woman ' s journey through the hellish, the humiliating, and the humbling in her single-minded pursuit of the most addictive drug of all: love.
