"I need to tell you why I so afraid to fall in love with you again. Why from the moment I saw you in the restaurant I tried to deny any feelings I still had for you. Why I pushed you away, why I lied to you that day in the hospital... It all started during the summer break of 2005, exactly sixty days since the last time I had seen you..." He came and stole what she had desperately tried to hold onto: her heart. Charlie Mason thought she knew better until her insecurities overruled and she again believed he broke her. In a bid to finally find their happily ever after, Lex and Charlie find themselves on a journey of learning how to love again. They began a new future to move forward from a broken past, but life is never so easy. When you finally have the one thing you've always wanted, what do you do when that place of darkness finds its way back, shattering everything you fought so hard to have? This is the final story of Lex and Charlie, two souls that were brought back together in a twist of fate. An eternal love that has been through every storm, dragged into the dark abyss without a chance of climbing out, but through all the battles they find themselves in a place they call home, away from the darkness and away from the fear. With a glimmer of hope, they look directly into the light.

He thought getting a second chance at life was difficult, but resisting the spark he feels with her will test all of his strength. Vi Harris comes with baggage most men can't handle. A famous ex-footballer for a father and four professional footballing brothers. Brothers she helped raise after their mother died. Dating isn't easy when the infamous Harris Brothers not only play defence on the pitch, but block most love interests from getting too close to their sister. Hayden Clarke isn't the guy you take home to meet your parents. He's brooding, troubled, and just survived the darkest days of his life. Which is why a distraction like Vi could cost him everything. When Vi's bright, cheeky smile and oversized dog crash into him without warning, he can't help but get wrapped up in her. Despite his better judgement, he enlists Vi to help him with a special assignment that's anything but romantic. Through it all, she doesn't see his flaws. She doesn't see him as broken. She sees him as the man he's been fighting his whole life to be. But what happens when her strength becomes his weakness? *This is the re-titled, re-covered, re-edited, and new bonus content version of the original book. That One Moment.*

She gave me her innocence. I gave her a baby. As a billionaire, I'm used to getting what I want. And that night I wanted her. It was only supposed to be a one night stand. No names, no numbers, only searing passion and lust. I took her virginity. Felt her sweet submission. I knew she was meant to be mine. To touch. To command. But she left before I woke the next morning. It's been a year and I find out that she has something that belongs to me. Lorelei, my daughter. I will do everything in my power to find her. Make her mine. And completes our family.

Mina hadn't meant to stay in Vermont. She'd planned to collect her mother and move across the country so they could begin a new life. When Everett Burke asked her out, it shouldn't have turned into anything serious, but she fell hard. Everett had nursed a crush on Mina for years. When the strong, proud woman turned out to be a virgin--and emotionally vulnerable--he vowed to take things slowly. That included easing her into a D/s relationship slowly, not speaking frankly until he felt she was ready. When Mina discovers his deception and what Ever really wants from her, she breaks it off and flees to the other side of the country. Then one snowy morning, her car careens off the road. Rescued by the one man she dreaded seeing again, she found out she'd run for all the wrong reasons. Desperate, she submits a wish to Oasis. She wants to know one thing: Can they put the past behind them to build a future together?

I'm the whore they're ashamed of."When life tried to break me I grabbed that b'tch by the throat and squeezed.I thought I could overcome anything.I swore I could handle him, but after being forced to play at the Devil's playground I ended up craving his touch.One taste of his poison made my loyalties begin to waiver.Romero'I'm a living nightmare, I'm everything they fear."I've been called the Devil, deranged, and a savage.I lived by a code created by rebel souls.
