Complex and fast moving plotting; a dedicated, intelligent, and honest protagonist (a chief superintendent); beautifully written descriptions of the setting, including Carrara; and a realistic, if absolutely chilling, study of the evils of modern Italy (and other countries) plagued by the drug trade, sexual slavery of children, pedophilia, and ...

A bomb explodes in the centre of Florence, hitting the car of Chief Superintendent Michele Ferrara of the elite Squadra Mobile. The attack rocks the ancient city to its foundations. Ferrara was clearly the target - and he did, after all, just controversially imprison notorious Mafia boss Salvatore Laprua. A week later, another bomb explodes - bringing tragedy for Ferrara and a determination to find the culprit. But that same morning, Salvatore Laprua is found dead in his prison cell. So who is the mysterious influence behind the bombings - someone even the Mafia fear? An ingenious, gripping mystery, The Death of a Mafia Don has been a bestseller in Italy and across Europe. Written by former Florence police chief Michele Giuttari, it offers a fascinating insight into the secret world of the Mafia, and life in Florence. Originally published in Italian as Il Basilico.

Chief Superintendent Michele Ferrara knows that the beautiful surface of his adopted city, Florence, hides dark undercurrents. When called in to investigate a series of brutal and apparently random murders, his intuition is confirmed. Distrusted by his superiors and pilloried by the media, Ferrara finds time running out as the questions pile up. Is there a connection between the murders and the threatening letters he has received? Are his old enemies, the Calabrian Mafia, involved? And what part is played by a beautiful young woman facing a heart-rending decision, a priest troubled by a secret from his past, and an American journalist fascinated by the darker side of life? Ferrara confronts the murky underbelly of Florence in an investigation that will put not only his career but also his life on the line. Originally published in Italy as Scarabeo.

This is a fast-paced and colorful exploration of the life of Matilda of Canossa (c. 1046ü1115), the woman who loved a pope and was loved by him, successfully defied the Holy Roman Emperor, and changed the map of Europe. A new kind of history, this biography also carries the flavor of present-day Italy. Matilda of Canossa, the öGreat Countess,ö was a remarkable woman. Her personal power was so extraordinary that even centuries after her death she became the first woman to be interred in St. Peter's Basilica. She is best remembered for her role in the conflict between the papacy and the Holy Roman emperor, the climax of which took place at her castle of Canossa. This unique biography is also a journal of the author's travels through contemporary Tuscany as she explores the palaces where Matilda held court, the blood-stained plains on which her soldiers battled, the churches and cathedrals she endowed, and the fortified aeries where she sought refuge. Readers will be swept along on this engrossing journey retracing the steps of a courageous and brilliant woman.

The follow-up to Murder in Chianti finds ex-NYPD detective Nico Doyle recruited by Italian authorities to investigate the murder of a prominent wine critic. One year after moving to his late wife ' s Tuscan hometown of Gravigna, ex-NYPD detective Nico Doyle has fully settled into Italian country life, helping to serve and test recipes at his in-laws ' restaurant. But the town is shaken by the arrival of wine critic Michele Mantelli in his flashy Jaguar. Mantelli holds his influential culinary magazine and blog over Gravigna ' s vintners and restaurateurs. Some of Gravigna's residents are impressed by his reputation, while others are enraged—especially Nico's landlord, whose vineyards Mantelli seems intent of ruining. Needless to say, Mantelli ' s lavish, larger-than-life, and often vindictive personality has made him many enemies, and when he is poisoned, the local maresciallo, Perillo, has a headache of a high-profile murder on his hands—and once again turns to Nico for help.

In his dark and fetid prison cell, serial killer Daniele de Robertis plans his retribution. The betrayals he has suffered haunt his dreams until, one night, he escapes. In a small, beautiful village in the Tuscan countryside a prominent lawyer and his wife are murdered. As the police inspect the scene they find nine terrifying photographs: nine women, slaughtered. It is Florentine Police Chief Michele Ferrara's worst nightmare: a case involving the untouchable men and women at the top of Italian society, a dark and powerful cult which knows no bounds, and mounting victims. Amongst a web of obsession, manipulation and violence, Ferrara must face his demons. Death Under a Tuscan Sun is an incredibly gripping and atmospheric work of detective fiction, written with incomparable authenticity by former Florentine police chief Michele Giuttari.

Mourning the loss of his wife, Rita, former NYPD homicide detective Nico Doyle moves to her hometown of Gravigna in the wine-soaked region of Chianti. Half-Italian and half-Irish, Nico finds himself able to get by in the region with the help of Rita's relatives, but he still feels alone and out of place. He isn't sure if it's peace he's seeking, but it isn't what he finds. Early one morning, he hears a gunshot near his cabin and walks out to discover a dead body in the woods, flashily dressed in gold tennis shoes. A small white dog at the scene won't leave Nico alone, so he lies to the police and claims to be its owner. Salvatore Perillo, the local maresciallo, enlists Nico's help with the murder case. It turns out more than one person in this idyllic corner of Italy knew the victim, and with a very small pool of suspects, including his own in-laws, Nico must dig up Gravigna's every last painful secret to get to the truth.

In the nonfiction tradition of John Berendt and Erik Larson, the author of the #1 NYT bestseller The Lost City of the Monkey God presents a gripping account of crime and punishment in the lush hills surrounding Florence as he seeks to uncover one of the most infamous figures in Italian history. In 2000, Douglas Preston fulfilled a dream to move his family to Italy. Then he discovered that the olive grove in front of their 14th century farmhouse had been the scene of the most infamous double-murders in Italian history, committed by a serial killer known as the Monster of Florence. Preston, intrigued, meets Italian investigative journalist Mario Spezi to learn more. This is the true story of their search for—and identification of—the man they believe committed the crimes, and their chilling interview with him. And then, in a strange twist of fate, Preston and Spezi themselves become targets of the police investigation. Preston has his phone tapped, is interrogated, and told to leave the country. Spezi fares worse: he is thrown into Italy's grim Capanne prison, accused of being the Monster of Florence himself. Like one of Preston's thrillers, The Monster of Florence, tells a remarkable and harrowing story involving murder, mutilation, and suicide—and at the center of it, Preston and Spezi, caught in a bizarre prosecutorial vendetta.
