Next time when searching the web for a clue, try using the search term "On a fine day, time for reading here in the garden? crossword" or "On a fine day, time for reading here in the garden? crossword clue" when searching for help ...

In 1955, former nightclub manageress Ruth Ellis shot dead her lover, David Blakely. Following a trial that lasted less than two days, she was found guilty and sentenced to death. She became the last woman to be hanged in Britain, and her execution is the most notorious of hangman Albert Pierrepoint's 'duties'. Despite Ruth's infamy, the story of her life has never been fully told. Often wilfully misinterpreted, the reality behind the headlines was buried by an avalanche of hearsay. But now, through new interviews and comprehensive research into previously unpublished sources, Carol Ann Lee examines the facts without agenda or sensation. A portrait of the era and an evocation of 1950s club life in all its seedy glamour, A Fine Day for a Hanging sets Ruth's gripping story firmly in its historical context in order to tell the truth about both her timeless crime and a punishment that was very much of its time.

A fox begins an unusual adventure when his greediness causes him to lose his tail.

"Pulp Fiction meets And Then There Were None" during a high school reunion off the coast of Scotland (Booklist). Gavin Hutchinson has it all planned out. A unique "floating holiday experience" on a converted North Sea oil rig, a haven for tourists who want a vacation but without the hassle of actually going anywhere. What better way to test out his venture than to host a fifteen-year high school reunion, the biggest social event of his life? How embarrassing then for Gavin. Not only does no one remember him, but his wife has discovered his philandering ways and plans to ditch him with a very public announcement in front of his assembled guests. That includes the uninvited ones, like a band of party-crashing mercenaries who are about to bring out the very worst in very old friends. Let the fun begin "as champagne bottles morph into defensive weapons" in prize-winning author Christopher Brookmyre's comedy of betrayal, double-cross, blackmail, revenge, and survival (The Hartford Courant). "Furiously paced and wonderfully absurd, with more one-liners than a Colombian coke dealer." -Maxim "Broad humor . . . and breakneck plotting." -The New York Times Book Review

Five stories about George and Martha, two hippopotamuses who are very best friends.

Life can and will change for good or bad. Whether sudden or planned, physical or emotional, personal or professional, big or small, one fine day we will all have to face a new normal. When your day comes, what will you do? One fine day, unimaginable tragedy happened to Sameer Bhide. His entire life came crashing down, starting with a life-changing, debilitating stroke, the loss of work, and a divorce. One Fine Day is the amazing story of his struggle to come back from the brink with the help of a diverse community of friends and caretakers, as well as an integration of Western medicine with Eastern holistic care. Sameer's example of positivity, gratitude, and grace will help you accept a new normal- whatever it may be-as a gift. In sharing his personal story, experiences, ideas, approaches, and suggestions, he hopes One Fine Day will help readers: > build resilience to face any life change or adversity > find positivity, express gratitude, and build perseverance in the healing process > look at the unexpected benefits and find possibilities in any life change > find possibility where most people would see none (the art of the possible) > adjust to a new life that they may not have chosen > supplement cutting-edge Western medicine with holistic Eastern medicine and care

Abigail Fine learned early in life it's hard to get ahead when you start with nothing. She hoped serving as a surrogate would allow her to not only help a friend, but jump-start living her own dreams.Jonah Rollins always considered himself a loyal friend and an honorable man. Until he made a decision that destroyed a long-standing friendship and eventually, his marriage.When life threw her a curveball, Abby did the only thing she knew how: the right thing. Her life might look a whole lot different than she imagined, but she wouldn't have it any other way. Now, five years later, the past has come calling. Life's presented Abby with an even bigger challenge: one that will test her capacity to forgive . . . or force her to close her heart forever. But Abby and Jonah just might discover that there are no bounds to how wide her heart can open or how deep his love can run.

Account of a day's events in the life of Laura Marshall, who lives on the South Downes in postwar England.

Charlie D is back doing his late-night radio call-in show. It's Halloween-The Day of the Dead. Not a day filled with good memories for Charlie, but the show must go on. His studio guest this evening is Dr. Robin Harris, an arrogant and ambitious "expert in the arts of dying and grieving," who also seems to be auditioning for her own radio talk show. Charlie and Dr. Harris do not hit it off. Things go from bad to worse when the doctor's ex-lover, Gabe, goes on air to announce that he's about to end his life. Dr. Harris is entirely unsympathetic until she learns that Gabe also has her daughter Kali and plans to poison her too. It will take all of Charlie D's on-air skills to save both Gabe and Kali.

Nanaï, Guru, and Rang have had their share of fun living with No-Ah in his magical house, but life isn't always strawberries and cream - it's all kinds of experiences sifted together. Often it is the bitter memories that make happy times taste even sweeter. Enjoy a third helping of heartwarming stories in the final volume of One Fine Day!
