Considered foundational to his entire life's work, this text was revised shortly before the renowned theologian's death.

Truth is no longer based on reason. What we feel is now the truest reality. Yet despite our obsession with the emotive and the experiential, we still face anxiety, despair, and purposelessness. Tracing trends in twentieth century thought, Francis A. Schaeffer shows that Christianity offers meaning where there is purposelessness and hope where there is despair.

Tyndale celebrates the thirtieth anniversary of this twentieth-century spiritual classic with a special commemorative edition featuring new foreword by Chuck Colson and introduction by Dr. Jerram

Barrs, director of the Schaeffer Institute. *He Is There and He Is Not Silent* discusses fundamental questions about God, such as who he is and why he matters.

In some ways, they could not be more different: the pipe-smoking, Anglican Oxford don and the blue-collar scion of conservative Presbyterianism. But C. S. Lewis and Francis Schaeffer, each in his unique way, fashioned Christian apologetics that influenced millions in their lifetimes. And the work of each continues to be read and studied today. In this book Scott Burson and Jerry Walls compare and contrast for the first time the thought of Lewis and Schaeffer. With great respect for the legacy of each man, but with critical insight as well, they suggest strengths and weaknesses of their apologetics. All the while they consider what Lewis and Schaeffer still have to offer in light of postmodernism and other cultural currents that, since their deaths, have changed the apologetic landscape. This incisive book stands as both an excellent introduction to the work of these two important figures and a fresh proposal for apologetics at the dawn of a new century.

In this collection of Francis Schaeffer's letters, the personal, spiritual, and practical side of Dr. Schaeffer's work comes shining

through so clearly. Each of us will find here something of ourselves, our frailty and our human need, but also something of what we might become through the transforming presence of Jesus Christ in our lives.

Francis Schaeffer was a well-known, extremely influential apologist and thinker who made his mark defending orthodox truth in the face of strong opposition. He was foremost in the vocation of apologetic ministry, and he was a brilliant man whom God used mightily during the decades of the 1960s, 70s, and 80s. In *Truth with Love*, Bryan Follis explores the theology and thinking that fueled the ministry of Francis Schaeffer, from his Reformed position to his understanding of fundamentalism. Follis examines Schaeffer's apologetic argument and the role of reason in his discussions and writings. The position Francis Schaeffer took against modernism and its applicability in this day of postmodernism are studied as well. This book is a beneficial resource for any Francis Schaeffer fan and any minister, teacher, or student who appreciates truth and its defense in the face of different kinds of opposition.

Challenging modern skepticism, Francis A. Schaeffer shows why Genesis provides solid ground for answering the questions of humanity's

origin and purpose.

Have Christians compromised their stand on truth and morality until there is almost nothing they will speak out against? Has the evangelical church itself sold out to the world? A provocative and challenging book—but one that is tempered by Dr. Schaeffer's deep commitment to Christ and love for the church.

A Redesign of the Classic Work by Francis A. Schaeffer Few Christians had a greater impact on the Christian response to modernism and postmodernism during the last half of the twentieth century than Francis A. Schaeffer, whose works offered a seemingly prophetic perspective that anticipated shifts in culture long before they happened. In *Death in the City*, originally written against the backdrop of the 1960s countercultural upheaval, Schaeffer shows that when the intellectual and spiritual foundation of a society fails, the society itself is destined to crumble. The death that follows subtly suffocates truth, meaning, and beauty out of the culture. Schaeffer offers a simple response to the rejection of biblical principles we see in our day—commitment to God's word as truth. This

commitment is often a costly practice, but it is compassion for a world that is lost and dying without the gospel. *Death in the City* encourages us to respond to the changing culture—not by hiding away, but by living each aspect of life in supernatural communion with the Lord.
