In 2007, Chrissie Wellington shocked the triathlon world by winning the Ironman World Championships in Hawaii. As a newcomer to the sport and a complete unknown to the press, Chrissie's win shook up the sport. A LIFE WITHOUT LIMITS is the story of her rise to the top, a journey that has taken her around the world, from a childhood in England, to the mountains of Nepal, to the oceans of New Zealand, and the trails of Argentina, and first across the finish line. Wellington's first-hand, inspiring story includes all the incredible challenges she has faced—from anorexia to near-drowning to training with a controversial coach. But to Wellington, the drama of the sports also presents an opportunity to use sports to improve people's lives. A LIFE WITHOUT LIMITS reveals the heart behind Wellington's success, along with the diet, training and motivational techniques that keep her going through one of the world's most grueling events.

The author describes his experiences as a physically challenged individual born without arms and legs, recounting his inspirational journey from a suicide survivor to an independent and purposeful motivational speaker.

"I do believe my life has no limits, and I want you to feel the same way about your life, no matter what your challenges may be." --Nick Vujicic You Can't Control What Happens to You... But You Can Control How You Will Respond! As a teenager Nick Vujicic wondered how he ever could have a "normal life." Born without arms and legs, Nick questioned how he would finish school, find a job, enjoy relationships, and not be a burden to others. He even contemplated suicide before realizing that his challenges did not need to limit his life. In Your Life Without Limits, Nick tells why circumstances should not rule your life and how hope changes everything for the better. It Doesn't Take a Perfect Person to Find a Perfect Love Even though he was born without arms or legs, Nick Vujicic created a "ridiculously good life." But after dating disappointments and a failed relationship, he reached his mid-twenties worried that he would never find a woman to love him and share his life. Then Nick met Kanae and everything changed. But even with undeniable chemistry, they would have to navigate twists and turns worthy of a romantic comedy before becoming "one" in marriage. In Love Without Limits Nick and Kanae tell how they improbably found each other, fell in love, and then fought to overcome skepticism from others about their relationship. Filled with practical insights that will benefit any couple, this inspiring book describes a godly courtship and the early years of the Vujicics' marriage and parenting journey. Above all, Love Without Limits is an inspiring reminder that when Christ is at the center of a relationship—even with serious challenges—true love will triumph. *** "Despite my optimism about other parts of life, I decided that love in this world had limits after all. I'd become convinced that no woman would want to marry such an obviously imperfect man as me..." "As a boy growing up in Australia, Nick Vujicic could not understand why God had allowed him to be born without limbs and if He would ever bring a woman into Nick's life. On the other side of the world, Kanae Miyahara—a girl growing up in Mexico—saw dysfunction sadly separate her family. She wondered if a loving, lasting marriage was even possible. Later, when Nick realized that God had a purpose for him, his life took on new meaning. But after a long-term relationship ended in heartache, would he ever find someone to marry? Kanae experienced relationships based on superficial attraction, but she longed to find a mate with strong character and faith—a man who would be a godly husband and father. When Nick and Kanae met in the most amazing way, they realized that God—the ultimate Matchmaker-- had used even their discouraging and painful experiences to prepare them for each other...for the love of their life.

What people need today when they and society at large are in social and economic distress is great advice and spiritual support that is easy to access. 64 Lessons- informed by two of Bishop Jakes' bestselling titles, Reposition Yourself and Making Great Decisions- is a ready-reference book of advice to keep readers on course in managing their careers, relationships, health, home and spiritual well-being. The 64 lessons explore ideas like: 1. Good choices begin with research; 2. Quitting can be good, at the right time; 3. Begin before 'need' arises; 4. Regret can be the begging of triumph over adversity. For instance, we've all been told that quitters never win. But, there IS a time to quit, whether it's your job, marriage, church or project. The biggest problem with quitting is the timing. Quitting too soon may mean that you relinquish your dreams. Get comfortable with change. Even after you've repositioned yourself, change is constant. You may need to quit something in order to make room for the next season of your life. Before you quit anything, look within and determine your real motives. Revisit the longings deep in your heart. Get a clear perspective on what you're releasing and what you're taking hold of. Examine your prior choices and consider what you've "quit" in the past. This honest self-examination will prepare you for a new beginning.

Chrissie Wellington is the world's number one female Ironman triathlete. In 'A Life Without Limits', Chrissie explains how she went from being a 'sporty kid, swimming, playing hockey, running, but never excelling' to becoming a world champion.

In Life Without Limits, Bassett asks, "If you could have, do, and be anything right now, what would you ask for?" Eight out of ten people are unable to answer this simple question. How about you? Do you know how to get what you want? Do you even know what you want? What do you see when you look in the mirror? A self-confident, radiant person who is living life to the fullest? Or do you see a frustrated, insecure, dissatisfied person who doesn't know how to change things? Bassett says, "In my work, I am continually amazed at the number of people who are personally, professionally, and financially frustrated. But the worst part is, if they could change things, they aren't sure how, or even what they would change." People stop dreaming, settling for a life that is neither satisfying nor rewarding because their fears and insecurities prevent them from seeing what they want in life, and how to get it. Acquiring happiness, wealth, or success on any level is difficult when you aren't clear about what you want and you don't have a plan. Before you know it, years pass by, and you're looking back with regrets. "In my work over the past fourteen years, I have encountered two types of people. The first group is the "doers." They are the movers and the shakers. They plan their life and are strongly motivated. They are on a clear path, know exactly what they want, and they are willing to take the risks to get it. The second group is the "drifters." They drift through life with no real sense of direction, ending up frustrated. This can happen to people in the most prestigious occupations. The drifters have a hard time establishing a sense of true happiness, satisfaction, or security because they know they aren't where they "should be," but they don't know what to do about it. Life Without Limits helps you clarify what you want in every area of your life. By using Bassett's powerful techniques you will change, therefore your life will change. Your thoughts are magnets attracting everything from the type of people you meet to the types of opportunities that come your way. Your thinking must be clear, distinct, and sharply defined. Your focused thoughts elicit emotion; your emotions ignite your actions and have a tremendous effect on the universal energy that surrounds you. You control your life. You control your destiny. And only you can take steps to change it. Life Without Limits helps you take back your power. Life Without Limits is the complete guide to attaining abundance in every area of your life. It will help you to achieve satisfaction and fulfillment personally, professionally, and financially. Once you have defined what success means for you, you will clarify your dreams and start pursuing them. Opportunities will present themselves, new doors will open, and you will begin to live the life you were meant to live: a life without limits. "Begin now to change the person you are into the person you know you have the potential to become." -- Lucinda Bassett

Life is full of limitations. There are individual psychic limitations-those we force upon ourselves. There are social and political limitations, enforced by the outside world. Our family can limit us, despite their best intentions. Even our own physicality can keep us trapped in pain, sorrow, and suffering that separates us from God. But Jesus does not want us to be limited. He did not come to Earth to die so that we could be kept in bondage. His greatest hope for His followers is freedom and limitless love, peace, and joy. In order to reach this place of peace, we must overcome our limitations, and to do so, we must put complete faith in God. Life without Limits takes a close look at fourteen hindrances that limit people of faith from thriving, providing both discussion and solutions for each. We must remember that Jesus died to reconcile us to God and give us unfettered access to the benefits of the cross. Break free from your shackles, discover your divine destiny, and finally live life to the fullest.
