In this Wall Street Journal bestseller, a pair of ritual murders could expose Mercy Kilpatrick to something terrifying: her own past... Raised off the grid by survivalists, Mercy Kilpatrick believed in no greater safeguard than the backwoods of Oregon. Unforgiven by her father for abandoning the fold for the FBI, Mercy still holds to her past convictions. They're in her blood. They're her secrets--as guarded as her private survival retreat hidden away in the foothills. In a cabin near her hideaway, Mercy encounters a young girl whose grandmother is dying from multiple knife wounds. Hundreds of miles away, a body is discovered slashed to death in a similar way. The victims--a city judge and an old woman living in the woods--couldn't be more different. With the help of police chief Truman Daly, Mercy must find the killer before the body count rises. Mercy knows that the past has an edge on her. So does her family. How can she keep her secrets now...when they're the only things that can save her?

FBI special agent Mercy Kilpatrick has been waiting her whole life for disaster to strike. A prepper since childhood, Mercy grew up living off the land--and off the grid--in rural Eagle's Nest, Oregon. Until a shocking tragedy tore her family apart and forced her to leave home.

Now a predator known as the cave man is targeting the survivalists in her hometown, murdering them in their homes, stealing huge numbers of weapons, and creating federal suspicion of a possible domestic terrorism event. But the crime scene details are eerily familiar to an unsolved mystery from Mercy's past. Sent by the FBI to assist local law enforcement, Mercy returns to Eagle's Nest to face the family who shunned her while maintaining the facade of a law-abiding citizen. There, she meets police chief Truman Daly, whose uncle was the cave man's latest victim. He sees the survivalist side of her that she desperately tries to hide, but if she lets him get close enough to learn her secret, she might not survive the fallout...

In the fourth book of the Wall Street Journal bestselling series, FBI agent Mercy Kilpatrick must unlock the mystery of a mass murder, and the secrets of its silent witness... For Mercy Kilpatrick, returning to rural Oregon has meant coming to terms with her roots. Raised as a prepper, Mercy is now relying on her survivalist instincts to defend her town from the people the law can't reach. But this time, an investigation calling up a dark past for her and police chief Truman Daly may be hitting too close to home. A rainstorm has uncovered the remains of five people--a reprise of the distinctive slaughter of two families twenty years ago. Except the convicted killer is in prison. Is this the case of a sick copycat, or is the wrong man behind bars? One person might have the answer. The lone survivor of the decades-old crimes has returned to town still claiming that she can't remember a thing about the night she was left for dead. As the search for the truth becomes more dangerous, Mercy fears that the traumatized woman may not have buried her memories at all. She might be keeping them a secret. And there's a price to be paid for revealing them.

In the next book in the Wall Street Journal bestselling Mercy Kilpatrick series, there are no such things as little secrets... Raised by preppers, survivalist and FBI agent Mercy Kilpatrick has a deep-rooted need for a safe place. Her getaway in the Cascade Foothills is her secret. But when skeletal remains are unearthed--those of a murdered man linked to a notorious heist--Mercy realizes she isn't the only one with something to hide. Thirty years ago, an armored-car robbery turned deadly. The mastermind was captured. Four conspirators vanished with a fortune. One of them, it appears, never made it out of the woods alive. For Mercy and her fiancé, Police Chief Truman Daly, their investigation opens old wounds in Eagle's Nest that cut deeper than they imagined. Especially when a reckless tabloid reporter draws fresh blood. It's clear to Mercy that somebody in this close-knit community is not who they seem to be. Some are still shattered by the heist. Some still have reason to be afraid. But which one will kill again and again to hide three decades of secrets? To land this case, it's up to Mercy to unmask a familiar stranger before someone else dies.

"The job: infiltrate a militia amassing illegal firearms in an isolated forest community. FBI agent Mercy Kilpatrick is the ideal candidate. She knows Oregon. She's near the compound. And having been raised among survivalists, Mercy understands the mind-set of fanatics. Lie low, follow rules, do nothing to sound an alarm, and relinquish all contact with the outside world. She's ready to blend in. As Mercy disappears into the winter hills, something just as foreboding emerges"--Back cover.

Ever since, Emily and Madison have tried to forget what happened that night--until an eerily similar murder brings it all back. It also brings FBI special agent Zander Wells to the Oregon logging town. As eager as he is to solve the brutal double slaying, he is just as intrigued with the mystery of Emily's and her sisters' past. When more blood is shed, Zander suspects there's a secret buried in this town no one wants unearthed. Is it something Emily and Madison don't know? Or aren't telling? And Tara? Maybe Emily can't bear to find her. Because when Tara disappeared, she took a secret of her own with her.

A dead conspiracy theorist. A mass murderer. Two cases collide for Callahan and McLane in a pulse-pounding thriller by Wall Street Journal and Amazon Charts bestselling author Kendra Elliot. A man is savagely murdered outside Portland, and Detective Mason Callahan finds blood-spatter evidence that tells a troubling story. Files reveal the murder victim, Reuben Braswell, was a radical conspiracist. In his home, investigators find pages of diatribes against law enforcement as well as ties to Mason's fiancée, FBI special agent Ava McLane. The victim was her informant--and had strong reasons to be paranoid. To Ava, Braswell's rants were those of a wearying and harmless man...until they collide with her investigation into the murders of police officers and finding the connection becomes urgent. Meanwhile, Braswell's brother and Ava's twin sister both disappear, and disturbing acts of sabotage target Ava's personal life. For Mason and Ava, the brutal crimes and escalating mysteries create a perfect storm for a terrorist conspiracy that becomes dangerously personal--one that has yet to claim its last victim.
