"A Poke in the I: A Collection of Concrete Poems," is a book full of various styles of poems each created by different authors. Surprising funny as the illustrations match the humor of the poems. Some of the poems tell the obvious, but they do it in a way that's so unique no one would think to make a poem in the shape of that object they are explaining.

A Poke in the I is the poetry anthology that you hand to the child who claims to hate poetry. This anthology of concrete poems introduces children to the medium in a unique way, spanning various types of ways to write the poems with amusing illustrations included. One poem describes a swan, and is written in the shape of a swan.

Leading Through Reading: One Book at a Time: A Poke in the I

Concrete poems are different from other poems, as the editor Mr. Janeczko notes at the beginning of "A Poke in the I". In many cases, the poems type font or the way it is laid out on the page determines the poem. Many of the poems take a specific shape in the way they're laid out on the page.

Mind Crash sets out to explore the deepest recesses of the human psyche through the utilization of several, quite often brutal, language exploration techniques. The results, a seemingly random collection of metaphysical short stories, cut-ups, koans, poems and automatic writing, are often as unsettling as they are darkly humorous. Whilst employing these frequently painful mental gymnastic routines, the author unwittingly unleashes, and subsequently exorcises, a number of allegorical demons. Do not forget to bolt your windows whilst reading it! - - - Mind Crash originally started life as a series of sporadic newsletters, available through subscription only, to a selective band of cultural mischief-makers dotted around the USA, Europe and Japan. These long-since out of print works, together with previously unpublished pieces, have now been composed into a single volume for the very first time.

"Poke has hit the mainland! Meaning "to slice or cut" in Hawaiian, poke is pieces of raw ahi marinated in soy sauce and sesame oil and topped with seaweed. The dish has a long history in Hawaii: It originated as simple sustenance, the raw fish just a way to eat and live on an island. But it has survived many decades, influenced by different chefs' creativity over time. Today this classic can be made with almost anything as its base--think salmon or beets--and
