A River Runs Through it and Other Stories Quotes by Norman ...

A River Runs Through It begins with the narrator, Norman Maclean, describing what it was like to grow up in Missoula, Montana, as the son of a Scottish Presbyterian minister who holds two things sacred: God and fly-fishing. Norman and his brother, Paul, spend much of their time out of school in church services and studying the Bible. But their father also introduces them to the complex

First published in 1976, *A River Runs through It and Other Stories* has become an American classic, touching readers with its recollections of family, flyfishing, and the author's youth in the Montana woods. By turns raunchy, caustic, and elegiac, these are superb tales that express, in Maclean's own words, "a little of the love I have for the earth as it goes by." A first offering from a 70-year-old writer, the basis of a top-grossing movie directed by Robert Redford, and the first original fiction published by the University of Chicago Press, *A River Runs through It and Other Stories* has sold more than a million copies. For this new edition, Robert Redford provides a foreword that recalls how he persuaded the reluctant Maclean to allow him to make a film of *River*.

The narrator and his brother become fascinated with fly fishing and the Big Blackfoot River

Just as Norman Maclean writes at the end of "A River Runs through It" that he is "haunted by waters," so have readers been haunted by his novella. A retired English professor who began writing fiction at the age of 70, Maclean produced what is now recognized as one of the classic American stories of the

twentieth century. Originally published in 1976, *A River Runs through It and Other Stories* now celebrates its twenty-fifth anniversary, marked by this new edition that includes a foreword by Annie Proulx. Maclean grew up in the western Rocky Mountains in the first decades of the twentieth century. As a young man he worked many summers in logging camps and for the United States Forest Service. The two novellas and short story in this collection are based on his own experiences—the experiences of a young man who found that life was only a step from art in its structures and beauty. The beauty he found was in reality, and so he leaves a careful record of what it was like to work in the woods when it was still a world of horse and hand and foot, without power saws, "cats," or four-wheel drives. Populated with drunks, loggers, card sharks, and whores, and set in the small towns and surrounding trout streams and mountains of western Montana, the stories concern themselves with the complexities of fly fishing, logging, fighting forest fires, playing cribbage, and being a husband, a son, and a father. By turns raunchy, poignant, caustic, and elegiac, these are superb tales which express, in Maclean's own words, "a little of the love I have for the earth as it goes by." A first offering from a 70-year-old writer, the basis of a top-grossing movie, and the first original fiction published by the University of Chicago Press, *A River Runs*

through It and Other Stories has sold more than a million copies. As Proulx writes in her foreword to this new edition, "In 1990 Norman Maclean died in body, but for hundreds of thousands of readers he will live as long as fish swim and books are made."

When Norman Maclean sent the manuscript of A River Runs through It and Other Stories to New York publishers, he received a slew of rejections. One editor, so the story goes, replied, "it has trees in it." Forty years later, the title novella is recognized as one of the great American tales of the twentieth century, and Maclean as one of the most beloved writers of our time. The finely distilled product of a long life of often surprising rapture—for fly-fishing, for the woods, for the interlocked beauty of life and art—A River Runs through It has established itself as a classic of the American West. This new edition will introduce a fresh audience to Maclean's beautiful prose and understated emotional insights. Elegantly redesigned, A River Runs through It includes a new foreword by Robert Redford, director of the Academy Award-winning 1992 film adaptation of River. Based on Maclean's own experiences as a young man, the book's two novellas and short story are set in the small towns and mountains of western Montana. It is a world populated with drunks, loggers, card sharks, and whores, but also one rich in the pleasures of fly-fishing, logging, cribbage,

and family. By turns raunchy and elegiac, these superb tales express, in Maclean's own words, "a little of the love I have for the earth as it goes by."

"Beautiful. ... A lyrical companion to his father's classic, *A River Runs through It*, chronicling their family's history and bond with Montana's Blackfoot River." —Washington Post A "poetic" and "captivating" (Publishers Weekly) memoir about the power of place to shape generations, *Home Waters* is John N. Maclean's remarkable chronicle of his family's century-long love affair with Montana's majestic Blackfoot River, the setting for his father's classic novella, *A River Runs through It*. Maclean returns annually to the simple family cabin that his grandfather built by hand, still in search of the trout of a lifetime. When he hooks it at last, decades of longing promise to be fulfilled, inspiring John, reporter and author, to finally write the story he was born to tell. A book that will resonate with everyone who feels deeply rooted to a landscape, *Home Waters* is a portrait of a family who claimed a river, from one generation to the next, of how this family came of age in the 20th century and later as they scattered across the country, faced tragedy and success, yet were always drawn back to the waters that bound them together. Here are the true stories behind the beloved characters fictionalized in *A River Runs*

through It, including the Reverend Maclean, the patriarch who introduced the family to fishing; Norman, who balanced a life divided between literature and the tug of the rugged West; and tragic yet luminous Paul (played by Brad Pitt in Robert Redford's film adaptation), whose mysterious death has haunted the family and led John to investigate his uncle's murder and reveal new details in these pages. A universal story about nature, family, and the art of fly fishing, Maclean's memoir beautifully captures the inextricable ways our personal histories are linked to the places we come from—our home waters. Featuring twelve wood engravings by Wesley W. Bates and a map of the Blackfoot River region.

In the Montana wilderness a father teaches his two sons important life lessons while trout fishing.

Academy Award-winning director Robert Redford captures the majesty of the Montana Wilderness and the strength of the American family in this acclaimed adaptation of Norman Maclean's classic autobiography. Craig Sheffer stars as the young Norman, and Brad Pitt also stars as his brother Paul, an irresistible daredevil driven to challenge the world. Growing up, both boys rebel against their stern minister father. While Norman channels his rebellion into writing, Paul descends a slippery path to self-

destruction. Co-starring Tom Skerritt as the Reverend Maclean and Emily Lloyd as wild-hearted Jessie Burns, A river runs through it is "destined to become a classic. It's a knockout."

The screenplay for the film is accompanied by the screenwriter's comments on the difficulty in adapting the story

In his eighty-seven years, Norman Maclean played many parts: fisherman, logger, firefighter, scholar, teacher. But it was a role he took up late in life, that of writer, that won him enduring fame and critical acclaim—as well as the devotion of readers worldwide. Though the 1976 collection A River Runs Through It and Other Stories was the only book Maclean published in his lifetime, it was an unexpected success, and the moving family tragedy of the title novella—based largely on Maclean's memories of his childhood home in Montana—has proved to be one of the most enduring American stories ever written. The Norman Maclean Reader is a wonderful addition to Maclean's celebrated oeuvre. Bringing together previously unpublished materials with incidental writings and selections from his more famous works, the Reader will serve as the perfect introduction for readers new to Maclean, while offering longtime fans new insight into his life and career. In this evocative collection, Maclean as both a writer and a

Read Free A River Runs Through It And Other Stories

man becomes evident. Perceptive, intimate essays deal with his career as a teacher and a literary scholar, as well as the wealth of family stories for which Maclean is famous. Complete with a generous selection of letters, as well as excerpts from a 1986 interview, *The Norman Maclean Reader* provides a fully fleshed-out portrait of this much admired author, showing us a writer fully aware of the nuances of his craft, and a man as at home in the academic environment of the University of Chicago as in the quiet mountains of his beloved Montana. Various and moving, the works collected in *The Norman Maclean Reader* serve as both a summation and a celebration, giving readers a chance once again to hear one of American literature's most distinctive voices.
