Parents need to know that A Study in Charlotte, the first installment in a planned trilogy, features the 16-year-old descendants of Sherlock Holmes and Dr. Watson in a lurid boarding-school mystery set in Connecticut, with plenty of drugs, alcohol, gambling, and violence, including rape and murder. Brilliant, troubled Charlotte Holmes has been solving high-profile mysteries since childhood -- and dabbling in hard drugs just as long.

~~A Study in Charlotte: Charlotte Holmes, Book 1 Book Review~~

A Study in Charlotte is Brittany Cavallaro ' s first novel in a series featuring Charlotte Holmes and Jamie Watson, the descendants of Sherlock Holmes and John Watson. Through some machinations of Jamie ' s estranged father, the pair end up attending the same boarding school in rural Connecticut. Both teens struggle with isolation and loneliness.

The first book in a witty, suspenseful new series about a brilliant new crime-solving duo: the teen descendants of Sherlock Holmes and John Watson. This clever page-turner will appeal to fans of Maureen Johnson and Ally Carter. Jamie Watson has always been intrigued by Charlotte Holmes; after all, their great-great-great-grandfathers are one of the most infamous pairs in history. But the Holmes family has always been odd, and Charlotte is no exception. She's inherited Sherlock's volatility and some of his vices—and when Jamie and Charlotte end up at the same Connecticut boarding school, Charlotte makes it clear she's not looking for friends. But when a student they both have a history with dies under suspicious circumstances, ripped straight from the most terrifying of the Sherlock Holmes stories, Jamie can no longer afford to keep his distance. Danger is mounting and nowhere is safe—and the only people they can trust are each other.

The last thing Jamie Watson wants is a rugby scholarship to Sherringford, a Connecticut prep school just an hour away from his estranged father. But that's not the only complication: Sherringford is also home to Charlotte Holmes, the famous detective's great-great-great-granddaughter, who has inherited not only Sherlock's genius but also his volatile temperament. From everything Jamie has heard about Charlotte, it seems safer to admire her from afar. From the moment they meet, there's a tense energy between them, and they seem more destined to be rivals than anything else. But when a Sherringford student dies under suspicious circumstances, ripped straight from the most terrifying of the Sherlock Holmes stories, Jamie can no longer afford to keep his distance. Jamie and Charlotte are being framed for murder, and only Charlotte can clear their names. But danger is mounting and nowhere is safe -- and the only people they can trust are each other.

In the second brilliant, action-packed book in the Charlotte Holmes series, Jamie Watson and Charlotte Holmes are in a chase across Europe to untangle a web of shocking truths about the Holmes and Moriarty families. Jamie and Charlotte are looking for a winter break reprieve in Sussex after a fall semester that almost got them killed. But nothing about their time off is proving simple, including Holmes and Watson's growing feelings for each other. When Charlotte's beloved Uncle Leander goes missing from the Holmes estate—after being oddly private about his latest assignment in a German art forgery ring—the game is afoot once again, and Charlotte throws herself into a search for answers. So begins a dangerous race through the gritty underground scene in Berlin and glittering art houses in Prague, where Holmes and Watson discover that this complicated case might change everything they know about their families, themselves, and each other.

In the explosive conclusion to the New York Times bestselling Charlotte Holmes series, Holmes and Watson think they're finally in the clear after graduating from Sherringford...but danger awaits in the hallowed halls of Oxford. Charlotte Holmes and Jamie Watson finally have a chance to start over. With all the freedom their pre-college summer program provides and no one on their tail, the only mystery they need to solve, once and for all, is what they are to each other. But upon their arrival at Oxford, Charlotte is immediately drawn into a new case: a series of accidents befell the theater program at Oxford last year, culminating in a young woman going missing on the night of a major performance. The mystery has gone unsolved; the case is cold. And no one—least of all the girl's peculiar, close-knit group of friends—is talking. When Watson and Holmes join the theater program, the "accidents" start anew, giving them no choice but to throw themselves into the case. But as the complicated lines of friendship, love, and loyalty blur, time is running out—and tragedy waits in the wings.

"USA Today bestselling author Sherry Thomas turns the story of the renowned Sherlock Holmes upside down... With her inquisitive mind, Charlotte Holmes has never felt comfortable with the demureness expected of the fairer sex in upper class society. But she never thought that she would become a social pariah, an outcast fending for herself on the mean streets of London. When the city is struck by a trio of unexpected deaths and suspicion falls on her sister and her father, Charlotte is desperate to find the true culprits and clear the family name. She'll have help from friends new and old—a kind-hearted widow, a police inspector, and a man who has long loved her. But in the end, it

Where To Download A Study In Charlotte By Brittany Cavallaro

will be up to Charlotte, under the assumed name Sherlock Holmes, to challenge society's expectations and match wits against an unseen mastermind"--

The hotly anticipated and explosive third book in the New York Times bestselling Charlotte Holmes series. It's been a year since the shocking death of August Moriarty, and Jamie and Charlotte haven't spoken. Jamie is going through the motions at Sherringford, trying to finish his senior year without incident, with a nice girlfriend he can't seem to fall for. Charlotte is on the run, from Lucien Moriarty and from her own mistakes. No one has seen her since that fateful night on the lawn in Sussex—and Charlotte wants it that way. She knows she isn't safe to be around. She knows her Watson can't forgive her. Holmes and Watson may not be looking to reconcile, but when strange things start happening, it's clear that someone wants the team back together. Someone who has been quietly observing them both. Making plans. Biding their time. Someone who wants to see one of them suffer and the other one dead.

Evelina Cooper, the niece of the great Sherlock Holmes, is poised to enjoy her first Season in London Society. But there's a murderer to deal with—not to mention missing automatons, a sorcerer, and a talking mouse. In a Victorian era ruled by a council of ruthless steam barons, mechanical power is the real monarch and sorcery the demon enemy of the Empire. Nevertheless, the most coveted weapon is magic that can run machines—something Evelina has secretly mastered. But rather than making her fortune, her special talents could mean death or an eternity as a guest of Her Majesty's secret laboratories. What's a polite young lady to do but mind her manners and pray she's never found out? But then there's that murder. As Sherlock Holmes's niece, Evelina should be able to find the answers, but she has a lot to learn. And the first decision she has to make is whether to trust the handsome, clever rake who makes her breath come faster, or the dashing trick rider who would dare anything for her if she would only just ask. Praise for *A Study in Silks* “ This book has just about everything: magic, machines, mystery, mayhem, and all the danger one expects when people's loves and fears collide. I can't wait to return to the world of Evelina Cooper! ” —Kevin Hearne, New York Times bestselling author of *The Iron Druid Chronicles* “ As Sherlock Holmes's niece, investigating murder while navigating the complicated shoals of Society—and romance—in an alternate Victorian England, Evelina Cooper is a charming addition to the canon. ” —Jacqueline Carey, New York Times bestselling author of the *Kushiel's Legacy* series “ Holloway takes us for quite a ride, as her plot snakes through an alternate Victorian England full of intrigue, romance, murder, and tiny sandwiches. Full of both thrills and frills. ” —Nicole Peeler, author of the *Jane True* series “ *A Study in Silks* is a charming, adventurous ride with a heroine who is both clever and talented. The brushes with the Sherlock Holmes mythos only add to the fun of this tale, and readers are bound to fall in love with Evelina and the London she inhabits. ” —Philippa Ballantine, author of *Geist* “ In *A Study in Silks*, Emma Jane Holloway has created a wonderful reimagining of the Sherlock Holmes mythos set in a late-Victorian Britain ruled by nefarious industrial titans called steam barons. Holloway's clever writing, attention to detail, and sublime characters forge a fascinating world that combines brass-plated steampunk technology with magic. By turns a coming-of-age story, a gas-lamp thriller, and a whimsical magical fantasy, *A Study in Silks* is the premiere novel of an author to watch. ” —Susan Griffith, author of the *Vampire Empire* series “ Holloway stuffs her adventure with an abundance of characters and ideas and fills her heroine with talents and graces, all within a fun, brisk narrative. ” —Publishers Weekly “ Splendid . . . The characters are thoroughly charming and the worldbuilding is first-rate. ” —RT Book Reviews (four stars)

American Royals meets *The Winner's Curse* in the first book of a dazzling duology from New York Times bestselling author Brittany Cavallaro about revolution, love, and friendship in a reimagined American monarchy. The year is 1893, and war is brewing in the First American Kingdom. But Claire Emerson has a bigger problem. Claire's father is a sought-after inventor, but he believes his genius is a gift granted to him by his daughter's touch, so he keeps Claire under his control. As their province prepares for war, Claire plans to escape, even as her best friend, Beatrix, tries to convince her to stay and help with the growing resistance movement that wants to see a woman on the throne. When her father's weapon fails to fire on the World's Fair's opening day, Claire is taken captive by Governor Remy Duchamp, St. Cloud's young, untried ruler. Remy believes that Claire's touch bestows graces he's never had, and with political rivals planning his demise, Claire might be his only ally. The last thing that Claire has ever wanted is to be someone else's muse, but she finally has a choice: Will she quietly remake her world from the shadows—or bring it down in flames?

As seen on *The Today Show*! One of the best summer mystery picks! *Charlotte Holmes, Lady Sherlock*, returns in the Victorian-set mystery series from the USA Today bestselling author of *A Conspiracy in Belgravia* and *A Study in Scarlet Women*, an NPR Best Book of 2016. Under the cover of "Sherlock Holmes, consulting detective," Charlotte Holmes puts her extraordinary powers of deduction to good use. Aided by the capable Mrs. Watson, Charlotte draws those in need to her and makes it her business to know what other people don't. Moriarty's shadow looms large. First, Charlotte's half brother disappears. Then, Lady Ingram, the estranged wife of Charlotte's close friend Lord Ingram, turns up dead on his estate. And all signs point to Lord Ingram as the murderer. With Scotland Yard closing in, Charlotte goes under disguise to seek out the truth. But uncovering the truth could mean getting too close to Lord Ingram--and a number of malevolent forces...

The poems in Brittany Cavallaro's *Girl-King* are whispered from behind a series of masks, those of victim and aggressor, nineteenth-century madam and reluctant magician's girl, of truck-stop Persephone and frustrated Tudor scholar. This “ expanse of girls, expanding still, ” chase each other through history, disappearing in an Illinois cornfield only to reemerge on the dissection table of a Scottish artist-anatomist. But these poems are not just interested in historical narrative: they peer, too, at the past's marginalia, at its “ blank pages ” as well as its “ scrawls and dashes. ” Always, they return to “ the dark, indelicate question ” of power and sexuality, of who can rule the “ city where no one is from. ” These girls search for the connection between “ alive and will stay that way, ” between each dying star and the emptiness that can collapse everything.
