On her thirtieth birthday, Gwendolyn Reese receives an unexpected present from her widowed Aunt Bea: a grand tour of Europe in the company of Bea's Sudoku and Mahjongg Club. The prospect isn't entirely appealing. But when the gift she is expecting--an engagement ring from her boyfriend--doesn't materialize, Gwen decides to go. At first, Gwen approaches the trip as if it's the math homework she assigns her students, diligently checking monuments off her must-see list. But amid the bougainvillea and stunning vistas of southern Italy, something changes. Gwen begins to live in the moment--skipping down stone staircases in Capri, running her fingers over a glacier in view of the Matterhorn, racing through the Louvre, and taste-testing pastries at a Marseilles cafe. Reveling in every new experience--especially her attraction to a charismatic British physics professor--Gwen discovers that the ancient wonders around her are nothing compared to the renaissance unfolding within. . . "A thinking woman's love story, it swept me away to breathtaking places with a cast of endearing characters I won't soon forget. Bravissima!" – Susan McBride, author of *Little Black Dress* Praise for Marilyn Brant's *According to Jane* "A warm, witty and charmingly original story." --Susan Wiggs, *New York Times* bestselling author "Brant infuses her sweetly romantic and delightfully clever tale with just the right dash of Austen-esque wit." – *Chicago Tribune* "An engaging read for all who have been through the long, dark, dating wars, and still believe there's sunshine, and a Mr. Darcy, at the end of the tunnel." --Cathy Lamb, author of *Such a Pretty Face*

The book has a host of articles written from observations of everyday life; book and movie reviews and poems.

An uproarious, inspiring, and thoroughly engaging memoir by the former Associate Dean at the University of Maryland School of Engineering. With a disarming charm coupled with a gritty

# Read Free A Summer In Europe Marilyn Brant

determination, Dr. Marilyn Berman Pollans broke down barriers to opportunity and cracked through thick glass ceilings. Her pioneering efforts have resulted in a new generation of women entering the previously male-dominated field of engineering. This jocular and absorbing memoir recounts her struggles, her setbacks, and ultimately the victory of her indomitable spirit.

This is the life story of the oldest living member of the famous Wertheimer family, beautifully narrated and richly illustrated from the author's vast stock of memorabilia and his unfailing memory. It is a memoir, but at the same time a document of the exodus of German-speaking psychologists to the New World, which left the homeland scientifically shattered. This lovingly-written pictorial archive of 80 years of the history of modern psychology, shaped by the momentous events of WWII, belongs on the shelf of every psychologist, theoretical, experimental, and clinical, as it gives us the story of how the scientific heritage in Europe and America merged to form the broad and strong disciplines now in our hands, told by one of its premier historical representatives. Prof. em. Lothar Spillmann, University of Freiburg, Germany

The instant New York Times bestseller, now in paperback: a moving tribute to female friendships, with the inspiring story of eleven girls and the ten women they became, from the coauthor of the million-copy bestseller *The Last Lecture*. As children, they formed a special bond, growing up in the small town of Ames, Iowa. As young women, they moved to eighth different states, yet they managed to maintain an extraordinary friendship that would carry them through college and careers, marriage and motherhood, dating and divorce, the death of a child, and the mysterious death of the eleventh member of their group. Capturing their remarkable story, *The Girls from Ames* is a testament to the enduring, deep bonds of women as they experience life's challenges, and the power of friendship to overcome even the most daunting odds. The girls, now in their forties, have a lifetime of

memories in common, some evocative of their generation and some that will resonate with any woman who has ever had a friend. The Girls from Ames demonstrates how close female relationships can shape every aspect of women's lives-their sense of themselves, their choice of men, their need for validation, their relationships with their mothers, their dreams for their daughters-and reveals how such friendships thrive, rewarding those who have committed to them. With both universal events and deeply personal moments, it's a book that every woman will relate to and be inspired by.

Part the dimensional veil and follow Terry Boyle into the world of spirits, with a fourth book of spine-tingling paranormal adventures. Meet the forever-beautiful spectre of Marilyn Monroe, who came to the French River seeking sanctuary from fame and fans, and decided to stay. Journey to the remarkable Victorian Beild House Inn in Collingwood; sleep in the bed of King Edward VIII of England, and wait for the deceased doctor to make a room call. Acquaint yourself with the lonely woman who searches empty rooms and narrow hallways of the Grafton Village Inn. She glides up the central staircase to the ballroom, where she fades from sight. Who is the mysterious woman dressed in white-satin at the Joseph Brant Museum? Is she searching for a door that will lead to freedom? Musket in hand, a sentry paces the grounds of Fort George, prepared for the next American invasion. Does he know he is a casualty of time, not war? With a list of addresses, phone numbers, and websites for each location, Terry Boyle invites all ghost enthusiasts along for some adventure. Feeling brave? This could be the perfect itinerary for your next trip.

Ghost hunter Terry Boyle brings you this three-ebook bundle of the bestselling Haunted Ontario books, conjuring up an eerie treasury of paranormal locales. Join Terry as he investigates apparitions at the former Swastika Hotel in Muskoka, poltergeists in Toronto 's Royal Ontario Museum, and a whole village of spooks roaming the buildings of Black Creek Pioneer Village. With a list of addresses, phone

numbers, and websites for each location, Terry Boyle invites all ghost enthusiasts along for the adventure. Feeling brave? You might just want to stop and visit some ghosts on your next trip. Includes: Haunted Ontario 4 Haunted Ontario 3 Haunted Ontario

In Marilyn Brant's smart, wildly inventive debut, one woman in search of herself receives advice from the ultimate expert in matters of the heart. . . It begins one day in sophomore English class, just as Ellie Barnett's teacher is assigning Jane Austen's *Pride and Prejudice*. From nowhere comes a quiet "tsk" of displeasure. The target: Sam Blaine, the cute bad boy who's teasing Ellie mercilessly, just as he has since kindergarten. Entirely unbidden, as Jane might say, the author's ghost has taken up residence in Ellie's mind, and seems determined to stay there. Jane's wise and witty advice guides Ellie through the hell of adolescence and beyond, serving as the voice she trusts, usually far more than her own. Years and boyfriends come and go--sometimes a little too quickly, sometimes not nearly fast enough. But Jane's counsel is constant, and on the subject of Sam, quite insistent. Stay away, Jane demands. He is your Mr. Wickham. Still, everyone has something to learn about love--perhaps even Jane herself. And lately, the voice in Ellie's head is being drowned out by another, urging her to look beyond everything she thought she knew and seek out her very own, very unexpected, happy ending. . . "A warm, witty and charmingly original story." --Susan Wiggs, New York Times bestselling author "An engaging read for all who have been through the long, dark, dating wars, and still believe there's sunshine, and a Mr. Darcy, at the end of the tunnel." --Cathy Lamb, author of *Henry's Sisters* "This is a must-read for Austen lovers as well as for all who believe in the possibility of a happily-ever-after ending." --Holly Chamberlin, author of *One Week In December*

Not your typical romantic escapade, *When Your Body Gets Weak* depicts a May/November romance. The story blends intrigue, suspense, jealousy, desolation, physical fitness, camaraderie, and

# Read Free A Summer In Europe Marilyn Brant

triumph, re-enforcing the principle that chivalry is still alive and well. Imani ' s soulmate, Sonjae, a young man fifteen years younger than herself, was scheduled to attend a meeting in one of the Twin Towers on September 11, 2001. Imani refuses to acknowledge that Sonjae has perished, despite media reports and data about the survival possibilities of those present in the buildings. The book demonstrates that young men can sustain the timeless attribute of chivalry, while still maintaining virility with their male peers. *When Your Body Gets Weak* will also inspire women to acknowledge their own strength no matter the circumstance, as well as the power of unquestionable faith, and the unconditional love that transcends adversarial occurrences. “ I sincerely hope that when you turn the final page, you will concur that age indeed is just a number, ” says the author. Part of the novel pays homage to those who perished on 9/11 and their families.

Each generation has cultural icons that take the world by storm and mark the most popular trends in America. Take a look back at some of these iconic individuals and trends and their lasting effects on American people and culture.
