Sister Fidelma took it and dismounted, moving across to where the rope that held the body was tied to a lower branch to keep it in place. She had raised the knife to cut it when a sharp cry caused her to turn sharply round in the direction of the sound. Half-a-dozen men had emerged on foot from the woods on the far side of the road.

Absolution by Murder Summary. *Absolution by Murder* is the brilliant and evocative first novel in Peter Tremayne's Sister Fidelma series, bringing seventh-century Ireland vividly to life. As the leading churchmen and women gather at the Synod of Whitby in AD 664 to debate the rival merits of the Celtic and Roman Churches, tempers begin to fray.

In A.D. 664, when someone murders the Abbess Etain during the synod between the Roman and Celtic churches, Sister Fidelma of the Celtic Church and Brother Eadulf of the Roman church must find the killer and prevent civil war

In A.D. 664, King Oswy of Northumbria has convened a synod at Whitby to hear debate between the Roman and Celtic Christian churches and decide which shall be granted primacy in his kingdom. At stake is much more than a few disputed points of ritual; Oswy's decision could affect the survival of either church in the Saxon kingdoms. When the Abbess Etain, a leading speaker for the Celtic church, is found murdered, suspicion falls upon the Roman faction. In order to diffuse the tensions that threaten to erupt into civil war, Oswy turns to Sister Fidelma of the Celtic Church (Irish and an advocate for the Brehon Court) and Brother Eadulf of the Roman church (from east Anglia and of a family of hereditary magistrates) to find the killer. But as further murders occur and a treasonous plot against Oswy matures, Fidelma and Eadulf soon find themselves running out of time.

ABSOLUTION BY MURDER is the brilliant and evocative first novel in Peter Tremayne's Sister Fidelma series, bringing 7th-century Ireland vividly to life. PRAISE FOR ABSOLUTION BY MURDER: 'In the simultaneously sharp-tongued and full womanly figure of Sister Fidelma, Tremayne has created a heroine whom many readers will willingly follow. Even Brother Cadfael might have tolerated her' Kirkus Reviews As the leading churchmen and women gather at the Synod of Whitby in 664AD to debate the rival merits of the Celtic and Roman Churches, tempers begin to fray. Conspirators plot an assassination, while mysterious, violent death stalks the shadowy cloisters of the Abbey of St Hilda. When the Abbess Etain, a leading speaker for the Celtic Church, is found murdered suspicion inevitably rests on the Roman faction. Attending the Synod is Fidelma, of the community of St Brigid of Kildare. As an advocate of the Brehon Court, she is called on to investigate the murder with Brother Eadulf, of the Roman faction. However, the two are so unlike that their partnership is described as that of a wolf and a fox - but which is which? More gruesome deaths follow and the friction among the clerics could end in civil war.

Can the solution to the mysteries avert such a conflict? What readers are saying about ABSOLUTION OF MURDER: 'Superb storytelling from a usually neglected era. Read this and you will certainly want to read the rest of this excellent series' 'I was transported back in time; Peter Tremayne brought the location and characters to life' 'The story moves forward with Fidelma weaving her way through to the end with skill and intelligence. Well worth reading'

Peter Tremayne's Fidelma of Cashel mysteries, set in ancient Ireland, will delight readers with their confounding puzzles and brilliant characters. Here together for the first time are the first three books in the series. *Absolution by Murder*: In A.D. 664, someone murders the Abbess Etain, a supporter of the Celtic way, during the synod between the Roman and Celtic churches. Sister Fidelma, of the Celtic Church, is assigned to use her legal training and mental smarts to find out who wanted the abbess dead, and why. Along the way she is paired up with Brother Eadulf, who belongs to the Roman Church, and it becomes immediately apparent that there might be more between them, as they work together to find the killer and prevent civil war. *Shroud for the Archbishop*: Sister Fidelma and Brother Eadulf travel to Rome to deliver a message to his Holiness. But then the Archbishop is found dead, strangled in his chambers, and a monk is observed fleeing the scene of the crime. Convinced of the monk's innocence, Fidelma pledges to help reveal the truth, but instead she stumbles across far too few clues, an abundance of motives, and a trail that is strewn with bodies. *Suffer Little Children*: Fidelma, sister of Colgu, who has just become the king of Muman, the largest of the five Irish kingdoms, is tasked with solving the mystery of who murdered the Venerable Dacan, a highly respected elder from a nearby kingdom. This death has far-reaching implications for the peace between the kingdoms, and Fidelma must work to find out what happened to Dacan before a bloody war breaks out between the many factions and families of sixth century Ireland.

Wighard, Archbishop designate of Canterbury, has been found dead, garrotted in his chambers in Rome's Lateran Palace in the autumn of A.D. 664. His murderer seems apparent to all, since an Irish religious was arrested by the palace guards as he fled Wighard's chamber, but the monk denies responsibility for the crime, and the treasures missing from Wighard's chambers are nowhere to be found. The bishop in charge of affairs at the Lateran Palace suspects a political motive and is wary of charging someone without independent evidence. So he asks Sister Fidelma of the Celtic Church to look into Wighard's death. Fidelma (an advocate of the Brehon Court), working with Brother Eadulf of the Roman Church, quickly finds herself with very few clues, too many motives, a trail strewn with bodies--and very little time before the killer strikes again.

During a pilgrimage from Ireland to the Shrine of St. James in Spain, a pilgrim disappears overboard, leaving a blood-stained robe behind, and Fidelma of Cashel sets out to uncover the truth before the ship reaches the shrine and the killer can vanish for

In February of 668 A.D., Fidelma of Cashel and her companion Eadulf are about to get permanently married. As the sister to the King of Muman, Fidelma's marriage ceremony is a major event; the High King of Ireland, as well as other kings and major figures, are going to be in attendance. On the eve of the ceremony, the fanatical and much disliked Abbot Ultan is found murdered in his chamber and one of the distinguished guests, the King of Connacht, is accused of the crime. Her wedding delayed, the high born guests restless, and the murder and its aftermath threatening chaos, it's up to Fidelma to uncover the murderer - and the truth behind the murder itself - if the often tenuous peace of the land is to be maintained.

A perplexing case of murder and conspiracy in the pagan wilds of Northern Italy In 664 A.D., just after the events detailed in *Shroud for the Archbishop*, Fidelma of Cashel takes an unexpected detour on her trip home from Rome. While in the port at Genua (modern day Genoa), Fidelma--sister of one Ireland's kings and an advocate in her country's law courts--receives word that one of her old teachers, Brother Ruadan, is reaching the end of his days. Determined to see her old mentor one last time, Fidelma takes the treacherous journey to a remote abbey in the countryside--a place where the old pagan religion still has a hold and where even the Christians are often in bloody conflict with each other. But after she hears her dying teacher's last words, Fidelma's most dangerous adventure has just begun. With one murder after the next and a vicious war in the offing, it is up to Fidelma, alone and on her own, to unravel an extraordinary conspiracy before it is too late.

When a murdered corpse of an unknown young noble is discovered, Fidelma of Cashel is brought in to investigate, in Peter Tremayne's *The Seventh Trumpet* Ireland, AD 670. When the body of a murdered young noble is discovered not far from Cashel, the King calls upon his sister, Fidelma, and her companion Eadulf to investigate. Fidelma, in addition to being the sister of the king, is a dailaigh--an advocate of the Brehon Law Courts--and has a particular talent for resolving the thorniest of mysteries. But this time, Fidelma and Eadulf have very little to work with--the only clue to the noble's identity is an emblem originating from the nearby kingdom of Laign. Could the murder be somehow related to the wave of violence erupting in the western lands of the kingdom? The turmoil there is being stirred up by an unknown fanatical figure who claims to have been summoned by "the seventh angel" to remove the "impure of faith." Fidelma and Eadulf, once again grappling with a tangled skein of murder and intrigue, must somehow learn what connects the dead noble, a murdered alcoholic priest, and an abbot who has turned his monastery into a military fortress. When it appears that things cannot get more complex, Fidelma herself is abducted, and Eadulf must rescue her before the mystery can be solved.
