As long as people have heard the name of Jesus and believed his teachings, the Holy Spirit has been at work in the hearts and minds of people. If you have heard the good news about his life, death, resurrection, and the gift of the Holy Spirit, you are part of the continued work of Jesus Christ in the earth. This book has been written for those who desire to better understand the role of the Holy Spirit in the life of the Christian. The book of Acts contains more than a historical record of the early followers of Jesus; it contains the last words and instructions of Jesus to his closest followers before his ascension into heaven. As his last words, Jesus made a clear emphasis on the power and indwelling of the Holy Spirit upon which generations of his disciples would depend on. The central focus of this book is the nature and power of the Holy Spirit within and among his followers. In the end, the proof of Acts 29 is found in our living! In a variety of ways, the truth continues to provide an unmistakable bond between each generation of Jesus's disciples. The message Jesus spoke directly to his disciples in the beginnings of Luke's historical record continues to be boldly lived out by millions of believers today. Jesus's mandate to believe and be saved and then to be baptized in the Holy Spirit is still relevant for us today.

From Jerusalem to Rome From tiny beginnings among Jesus' disciples, the church exploded into a worldwide force in just a few years. How? Jesus left His followers with a mission, and the Spirit of God moved mightily through them to fulfill it. Luke's account of how the gospel was carried from Jerusalem to Rome—despite every conceivable obstacle—assures us that God will also help us discover and live out our mission in the world. LifeChange LifeChange Bible studies will help you grow in Christlikeness through a life-changing encounter with God's Word. Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

In May 2009, thirty-five theologians from Asia, Africa, and Europe met in Wuppertal, Germany, for a consultation on mission theology organized by the United Evangelical Mission: Communion of Thirty-five Churches in Three Continents. The aim was to participate in the 100th anniversary of the Edinburgh conference through a study process and reflect on the challenges for mission in the twenty-first century. We decided not to invite renowned experts, but to have an open invitation through a call for papers, so that practicing mission experts not yet well known would have an opportunity to share their expertise. We decided not to predetermine a theme or motto for the consultation but to allow various themes on mission to emerge from the papers themselves and thus to allow wide-ranging discussions. Indeed the papers were varied; each drew strong reactions, lively and even controversial debates. We were able to discover common concerns transcending very different contexts. The collection of papers in this book has been taken from the papers delivered at the Wuppertal consultation. In some cases, short responses by one or two of the consultation participants were added to highlight the discussions that followed. The very varied voices collected in this anthology nevertheless have much in common: Even where they are most theoretical it is obvious that all contributors come from missionary practice and bring in their contextual experiences.

Written by a team of 21st-century scholar-practitioners, *Discovering the Mission of God* explores the mission of God as presented in the Bible, expressed throughout church history and in cutting-edge best practices being used around the world today.

Years of rebellion led Don to work in the pornography industry. The fast-paced life of Southern California, along with addictions to alcohol, drugs and porn had him bound. Then, on September 29, 1990, Don had a supernatural encounter with the Almighty God who was not intimidated by his sin. Don had found the Jesus of his salvation. As Don began to experience the reality of the God who saved him, he took his first missions trip to Russia. Immediately he was hooked. It was clear that God was calling him into the mission field. Several countries later, he was led to Haiti—a nation consumed by demonic witchcraft and Voodoo. Yet, the Lord revealed Himself to Don and miracles broke out. God used his background to set the captives free. Soon after that, Haiti became home for the Adamsons. Don quickly found that the same Jesus that saved him was also the Jesus of his calling. The challenges of working in third world missions and the demonic attacks on his family and life made it clear to Don living out his salvation and calling came with a price. Walking through fiery furnaces is something every Christian must face. It was in those dark experiences Don discovered that God not only never leaves us, but He walks in the fire with us. He learned that the Jesus of his salvation and the Jesus of his calling was also the Jesus of his agony. The Jesus of My Agony is meant for anyone who has experienced the fiery trials of life. It is a book of hope and encouragement that God is faithful and true through all ages and to everyone who puts their faith in Him.
