Shares an account of his religiously transformative near-death experience and revealing week-long coma, describing his scientific study of near-death phenomena while explaining what he learned about the nature of human consciousness.

Scholars have long recognized the relevance to Christianity of the many stories surrounding the life of Alexander the Great, who claimed to be the son of Zeus. But until now, no comprehensive effort has been made to connect the mythic life and career of Alexander to the stories about Jesus and to the earliest theology of the nascent Christian churches. Ory Amitay delves into a wide range of primary texts in Greek, Latin, and Hebrew to trace Alexander as a mythological figure, from his relationship to his ancestor and rival, Herakles, to the idea of his divinity as the son of a god. In compelling detail, Amitay illuminates both Alexander ' s links to Herakles and to two important and enduring ideas: that of divine sonship and that of reconciliation among peoples.

What has Alexander the Great to do with Jesus Christ? Or the legendary king's conquest of the Persian Empire (335 – 23 BCE) to do with the prophecies of the Old Testament? In many ways, the early Christian writings on Alexander and his legacy provide a lens through which it is possible to view the shaping of the literature and thought of the early church in the Greek East and the Latin West. This book articulates that fascinating discourse for the first time by focusing on the early Christian use of Alexander. Delving into an impressively deep pool of patristic literature written between 130 – 313 CE, Christian Thru Djurslev offers original interpretations of various important authors, from the learned lawyer Tertullian to the 'Christian Cicero' Lactantius, and from the apologist Tatian to the first church historian Eusebius. He demonstrates that the early Christian adaptations of the Alexandrian myths created a new tradition that has continued to develop and expand ever since. This innovative work of reception studies is important reading for all scholars of Alexander the Great and early church history.

A mix of thematic essays, reference entries, and primary source documents covering the role of religion in American history and life from the colonial era to the

present. Often controversial, religion has been an important force in shaping American culture. Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic. Religious teachings, values, and practices deeply affected political structures and policies, economic ideology and practice, educational institutions and instruction, social norms and customs, marriage, and family life. By analyzing religion's interaction with American culture and prominent religious leaders and ideologies, this reference helps readers to better understand many fascinating, often controversial, religious leaders, ideas, events, and topics. The work is organized in three volumes devoted to particular periods. Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume, and roughly 10 essays that explore significant themes. These essays are followed by approximately 120 alphabetically arranged reference entries providing objective, fundamental information about topics related to religion in America. Each volume presents nearly 50 primary source documents, each introduced by a contextualizing headnote. A selected, general bibliography closes volume three. Timelines in each volume highlight key events in American religious history Some 30 essays survey broad themes central to American religious history Roughly 360 reference entries provide fundamental information about specific topics related to religion in American history Excerpts from around 150 primary source documents provide first-hand accounts of how religion has shaped American history Entry bibliographies and a selected, general, end-of-work bibliography direct users to additional information resources

"Winner, 2011 Gold Award, Historical Fiction, eLit Book Awards." In the greatest, foulest city in the world, love, mayhem and betrayal are waiting for the slave, Alexandros. Given as a gift to the richest man in Rome, he soon discovers that intrigue and murder stalk the house of his master. Alexandros can solve the crime, but if he does, the worst punishment may prove to be his own. Alexandros is astute, well-educated and brimming with caustic wit, but he can't seem to remember the golden rule of slavery: keep your head down and your mouth shut. No wonder more than one person in the house of Marcus Crassus wants to see this former Greek philosophy student dead. Through accident and intervention, Alexandros manages to survive, but is he willing to take the proffered hand of the one ally he wants desperately to despise - his owner? Every boon and advancement accepted from Crassus is an acknowledgment that his former life is gone. Yet how can he resist? Crassus is a good man, for a Roman. At last, Alexandros realizes that accepting his condition is the only way to recoup the little freedom left him. He willingly opens his eyes to his new life ... and immediately falls in love with Livia, a fellow servant he's never allowed himself to see. But romance for a slave is a fragile thing, especially when tragedy befalls the Crassus household in the guise of Gaius Julius Caesar and his insatiable ambition. Alexandros has won the ear of Crassus, but can a slave keep a master of Rome from making a choice that could topple the foundations of an empire?

Noted New Testament scholar Bauckham challenges the prevailing assumption the accounts of Jesus circulated as "anonymous community traditions," instead asserting that they were transmitted in the name of the original eyewitness.

David J. Keyser, Ph.D. ** Christian Theology ** This book is about the humanity of Jesus Christ. The Christian Church has neglected this important Christian truth for too long. An understanding of the humanity of Jesus has been sacrificed to our understanding of his divinity. He is indeed Divine. But it is a costly mistake to forget about his humanity; it is here that we find our identity with Him. ISBN: 9780615164557 -- Dr. David J. Keyser has served as an international theology teacher and college adjunct faculty. His earned degrees include a B.S. , an M.Div, an M.S., a Th.M., and a Ph.D. in Systematic Theology with a specialization in Pneumatology (the study of The Holy Spirit) from the University of Saint Andrews in Scotland, Presbyterianism's oldest University. His interests

include the humanity of Christ, The Holy Spirit and Biblical fiction.

The book of Acts has served as the foundational biblical text for the development of Pentecostal theology and biblical studies since the outpouring of the Spirit at the Azusa Street Revival in 1906. Now, over one hundred years have past since the Azusa Street Revival and the book of Acts is still at the forefront of the Pentecostal dialogue. Trajectories in Acts draws together the work of leading Pentecostal scholars each bringing their expertise to bear in tracing and developing trajectories in Acts. These essays have been brought together as a Festschrift in order to celebrate the influence, scholarship, and teaching career of John Wesley Wyckoff, a noted figure in the Assemblies of God and a known voice in the Pentecostal dialogue.
