More than 900 full-color photos, diagrams, and screen shots illustrate every key step."--Resource description page.

Master Adobe InDesign CS4 Filled with full-color examples, this hands-on guide explains how to use the latest release of the industry-standard dynamic publishing solution. How to Do Everything: Adobe InDesign CS4 takes you step-by-step through the process of creating professional layouts for print and digital publishing. Written by graphic design professionals, this book explains how to use all of InDesign's powerful tools and settings to produce compelling documents optimized for a variety of output formats. Set up a new publication Add and format text, tables, images, and graphics Organize and manage your assets with Adobe Bridge Define a book file, create its component parts, and work with ancillary features Manage linked content Draw objects and include them in your documents Work with layers and effects Select and manage color, including gradients, swatches, spot colors, and mixed inks Preflight your files and prepare print output Export documents to PDF, SWF, XHTML pages, and Web-ready images Produce content in Flash-ready formats

InDesign CS4 is more than just a page layout tool; as part of Adobe's new Creative Suite 4, it's a key component of an overall design workflow that lets users work seamlessly among all of their graphics applications to create spectacular layouts. Work faster, create more is what Adobe wants users to do with InDesign, and this info-packed

guide lets users get right down to doing just that by focusing on the InDesign CS4 features they're most likely to use and showcasing each in a stand-alone tip--complete with a relevant hint or two and a graphic example. In this fashion, readers learn as they go, exploring the program in a way that makes sense to them. Before they know it, users will be using the Bridge to manage their files, object styles to format their images, and snippets to save layout parts for reuse. Features new to InDesign CS4 that are covered include: live preflight, customizable Links panel, conditional text, cross references, interactive document capability with the new SWF file, animated page transitions, export to Flash CS4 functionality, Smart Guides and Smart Spacing, spread rotation, and smart text reflow.

This step-by-step book and accompanying DVD-ROM gets readers working with InDesign--a popular page layout/publishing program--immediately so they can build real-world projects while mastering fundamental and advanced concepts.

THE DESIGN COLLECTION REVEALED provides comprehensive step-by-step instruction and in-depth explanation for three of today's most widely used design and layout programs: Adobe InDesign CS5, Adobe Photoshop CS5, and Adobe Illustrator CS5. Readers gain practical experience with the software as they work through end-of-chapter learning projects and step-by-step tutorials. An integration chapter demonstrates how to move from one application to the other. Full-color illustrations and a user-friendly design combine to create a robust learning experience that reveals how to master the latest features of Adobe's popular design suite. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Provides information on one hundred techniques of Adobe InDesign CS4, covering such topics as importing text, creating gradients, working with master pages, and designing interactive PDFs.

Tap into the far-reaching potential of InDesign styles—from simple drop cap formatting to cross-media export to XHTML. Styles have the power to transform how design and production professionals approach and accomplish any project. Adopting a style-centric workflow can reduce tasks that would normally take days to mere hours, and tasks that would take hours to minutes or even seconds. Less time spent on repetitive tasks means more time for creating your best work. This book explores every InDesign style to reveal its full potential. Throughout each chapter, you'll pick up many tips and best practices gleaned from real-world experience. Two bonus chapters, "Stroke Styles" and "Project Planning with Styles in Mind" are available for download. For "figure it out as I go" designers, embracing styles still allow you to work intuitively on the page. And this guide helps break preconceptions and bad habits transferred from less powerful page layout applications that keep new InDesign users from working in far more satisfying and productive ways. Where InDesign is concerned, styles truly do equal substance.

The fastest, easiest, most comprehensive way to learn Adobe InDesign CS4 Adobe InDesign CS4 Classroom in a Book contains 14 lessons. The book covers the basics of learning page layout with Adobe InDesign and provides countless tips and techniques to help you become more productive with the program. Explore typography and color, and learn more about creating tables and using styles. You can follow the book from start to finish or choose only those lessons that interest you. Create layouts for magazines, newsletters, and brochures. Learn how to make Adobe PDF files and rich interactive documents. Prepare files for high-resolution printing and the Web. "Adobe InDesign Classroom in a Book is the best way to learn hands-on with

real-world examples. You'll gain exposure to good print design as well as efficient workflow techniques." —Michael Witherell, Adobe Certified Expert, Publishing, Training, and Consulting Classroom in a Book® , the best-selling series of hands-on software training workbooks, helps you learn the features of Adobe software quickly and easily. Classroom in a Book offers what no other book or training program does—an official training Incorporated, developed with the support of Adobe product experts. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.
