Cambridge English Empower is more than just a course book - it's a complete solution for effective learning and teaching! This new general English course for adult and young adult learners combines course content from Cambridge University Press with validated assessment from the experts at Cambridge English Language Assessment. Empower's unique mix of engaging classroom materials and reliable assessment, with personalised online practice, enables learners to make consistent and measurable progress.

An engineering professor who started out doing poorly in mathematical and technical subjects in school offers tools, tips and techniques to learning the creative and analytical thought processes that will lead to achievement in math and science. Original.

English File's unique, lively and enjoyable lessons are renowned for getting students talking. Advanced Plus is for higher-level students who want to push the boundaries of their English learning. Advanced Plus is a genuine step-up from the Advanced level, providing students with new, more challenging input with a focus on concepts such as finer shades of meaning, using language flexibly, more abstract and complex topics and an appreciation of humour. This Advanced Plus Student's Book with Online Practice is suitable for CEFR language level C1+. Key Features: Relevant, entertaining and authentic content with a clear structure that challenges students. Video listening activity is integrated in to each even-numbered File. These short documentaries and dramas make class time more dynamic and exciting. The conversation feature allows students to observe authentic, unscripted conversations in English and learn and practise features of natural conversation to express their own ideas. Advanced Plus helps students develop relevant skills for higher-level exams, including practice activities in the Revise and Check sections and exams skills development in Writing sections. Further skills development available in 'Use of English' activities in the Workbook and on Online Practice. Online Practice provides students with learning tools and longer listening and reading texts to further challenge them at this level outside of class. Teacher's Resource Centre allows teachers to manage all English File resources and teaching materials in one place online. Classroom Presentation Tool shows the course content on screen, with interactive features making it easier than ever for teachers to deliver heads-up, engaging lessons.
