Marketing secrets of affiliate marketing, the simple strategies, and how you can get started on it. But first, let's look at the definition of affiliate marketing. To put it plainly, affiliate marketing is cycle of getting commissions or a cut for promoting a product or service that is not owned or produced by you. This person can be a company, organization, or a sole entrepreneur. You find a product that you know and like, promote it to your channels and audience, and accrue profit for every sale made. Affiliate marketing is the arrangement whereby an affiliate earns a commission for completing an agreed-upon marketing objective. Commonly, the affiliate markets products and services belonging to a third party, and they earn a commission for each customer they bring on board. This economic arrangement has existed for as long as businesses have been around, but it became much more pronounced in the age
