Dr. Jaguar Addams knows about fear. On a satellite prison called Planetoid Three, she establishes a telepathic link to her subjects. She confronts their demons. And makes them her own . . . They were known as the Killing Times, when serial murder reached epidemic proportions. Victims of hard-edged crime demanded hard-wired punishment, and the new prisons were born. Now one determined woman, a survivor of that dark age, tries to rehabilitate killers by tapping into the source of their obsessions: their worst fears. Her name is Jaguar Addams, and she is about to face the most challenging subject of her career. The ultimate assassin. A dangerously disturbed woman who will teach Jaguar the true meaning of fear.
