Book reviews are what make or break you as an author and since Amazon is the leader in book retailers, getting reviews on Amazon is even more important. As scary as it can be to leave your own fate in the hands of others, it's true – especially if you publish through Amazon.

*How to Get Book Reviews on Amazon: Our Method for Free ...*

By Amazon basically banning reviews from other KDP authors, who have no personal connection whatsoever with an author, this limits the opportunities for self published authors to gain legitimate reviews from verified book buyers. Amazon are also taking a broad brush approach to how they define 'family members or close friends of the person', by using social media contact as a reason to reject book reviews.

*Amazon Self Publishing Book Review Rules Are Bad For Authors*

A seller uses a third-party service that offers free or discounted products tied to a review (for example, a review club that requires customers to register their Amazon public profile so that sellers may monitor their reviews). A family member or employee of the seller posts a review of the seller's product or a competitor's product.

Wanted: Translator for first contact. Immediate opening. Danger pay allowance.Estlin Hume lives in Twin Butte, Alberta surrounded by a horde of affectionate squirrels. His involuntary squirrel-attracting talent leaves him evicted, expelled, fired and near penniless until two aliens arrive and adopt him as their translator. Yanked around the world at the center of the first contact crisis, Estlin finds his new employers incomprehensible. As he faces the ultimate language barrier, unsympathetic military forces converging in the South Pacific keep threatening to kill the messenger. The question on everyone's mind is why are the aliens here? But Estlin's starting to think we'll happily blow ourselves up in the process of finding that out."What makes The Rosetta Man stand-out? An unusually dense squirrel population for sci-fi. It's light-hearted, accessible sci-fi with exotic present day settings and a pair of aliens who are focused on observing the revealing chaos their visit creates." - Claire McCague, author "The Rosetta Man" - Claire McCague, author
