Convenience is King

When you make it easier for customers to do business with you, they will reward you with their money, their loyalty, and their referrals. There's a reason they call it a convenience store – because it's convenient!

the minibar in your

Did you ever stop to think that the same \$5.00 can of Coca-Cola in the hotel's mini-fridge can be bought down the hall from the vending machine for just \$1.25? Yet even with that can of Coke being four times more expensive, hotels are restocking minibars
