This popular brief edition text for the one-semester or one-quarter American Government course maintains the framework of Wilson's comprehensive text, emphasizing the historical development of the American political system, who governs, and to what ends. AMERICAN GOVERNMENT, BRIEF VERSION, TENTH EDITION offers new coverage of such key and emerging issues as the 2010 campaigns and elections; leadership of President Obama and the 111th Congress; the economic downturn and new policies to combat the crisis; healthcare reform; recent changes to the Supreme Court; same-sex marriage; and the war in Afghanistan. The text also emphasizes critical thinking skills throughout and includes many tools to help students maximize their study efforts ... and results. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

For many, American politics and government have never been more interesting--or more important. A new four-color design, up-to-date political news and analysis and an affordable price make AMERICAN GOVERNMENT AND POLITICS TODAY, Brief Edition, 2018-2019, an ideal resource to engage today's learners. Authors Schmidt, Shelley and Bardes help students understand America's complex and fascinating political system--and show them how they can participate in the political process. Praised for its balanced coverage, clarity and readability, the text examines all the key concepts of American Government while providing interesting features that focus on active citizenship. The tenth edition gives ample space to the rise of Donald Trump, his populist campaign and use of the media as well as to other current topics such as security leaks, government surveillance and voting restrictions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Keeping the Republic gives students the power to examine the narrative of what's going on in American politics, distinguish fact from fiction and balance from bias, and influence the message through informed citizenship. Keeping the Republic draws students into the study of American politics, showing them how to think critically about "who gets what, and how" while exploring the twin themes of power and citizenship. Students are pushed to consider how and why institutions and rules determine who wins and who loses in American politics, and to be savvy consumers of political information. The thoroughly updated Eighth Edition considers how a major component of power is who controls the information, how it is assembled into narratives, and whether we come to recognize fact from fiction. Citizens now have unprecedented access to power – the ability to create and share their own narratives – while simultaneously being even more vulnerable to those trying to shape their views. The political landscape of today gives us new ways to keep the republic, and some high-tech ways to lose it. Throughout the text and its features, authors Christine Barbour and Gerald Wright show students how to effectively apply the critical thinking skills they develop to the political information they encounter every day. Students are challenged to deconstruct prevailing narratives and effectively harness the political power of the information age for themselves. Up-to-date with 2018 election results and analysis, as well as the impact of recent Supreme Court rulings, shifting demographics, and emerging and continuing social movements, Keeping the Republic, Eighth Edition is a much-needed resource to help students make sense of politics in America today. Carefully condensed from the full version by authors Christine Barbour and Gerald Wright, Keeping the Republic, Brief Edition gives your students all the continuity and crucial content, in a more concise, value-oriented package. Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.

Political Ideologies and the Democratic Ideal, 9/e, thoroughly analyzes and compares political ideologies to help readers understand these ideologies as acutely as a political scientist does. Used alone or with its companion Ideals and Ideologies: A Reader, 9/e, this best-selling title promotes open-mindedness and develops critical thinking skills.

In a storytelling approach that weaves contemporary examples together with historical context, By the People explores the themes and ideas that drive the great debates in American government and politics. It introduces students to big questions like: Who governs? How does our system of government work? What does government do? and Who are we? By challenging students with these questions, the text gets them to think about, engage with, and debate the merits of U.S. government and politics. Ideal for professors who prefer a shorter text, By the People, Brief Second Edition, condenses the content of the comprehensive edition while also preserving its essential insights, organization, and approach.

The American Congress Reader provides a supplement to the popular and updated American Congress undergraduate textbook. By the same authors who drew upon Capitol Hill experience and nationally recognized scholarship to present a crisp introduction and analysis of Congress's inner mechanics, the Reader compiles the best relevant scholarship on party and committee systems, leadership, voting, and floor activity to broaden and illuminate the key features of the text.

AMERICAN GOVERNMENT AND POLITICS TODAY: BRIEF EDITION, 2016-2017, shows you how easily and effectively you can participate in the political process. New features, up-to-date political news and analysis, and a great price make this text a top seller. Praised for its succinct format, balanced coverage, clarity, and readability, this book examines all the key concepts of American government, while providing interesting student-oriented features that further convey what active citizenship means. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Emphasizing the relevance of politics and government in everyday life, We the People provides tools to help students think critically about American government and politics. The Sixth Edition has been carefully updated to reflect most recent developments, including the ongoing conflict in Iraq and the 2006 midterm elections. Complemented by a rich package of multimedia tools for instructors and students, including a new video-clip DVD, We the People is now more pedagogically effective than ever.
