Greek fire was an incendiary weapon used by the Byzantine Empire beginning c. 672. Used to set light to enemy ships, it consisted of a combustible compound emitted by a flame-throwing weapon. Some historians believe it could be ignited on contact with water, and was probably based on naphtha and quicklime.

This is a clean read book.

The Discarded Image paints a lucid picture of the medieval world view, providing the historical and cultural background to the literature of the middle ages and renaissance. It describes the 'image' discarded by later years as 'the medieval synthesis itself, the whole organization of their theology, science and history into a single, complex, harmonious mental model of the universe'. This, Lewis's last book, has been hailed as 'the final memorial to the work of a great scholar and teacher and a wise and noble mind'.

Someone to watch over me? Sean Seamus Desmond, newly-announced Nobel Prize winner, relishes the unknowns of science, but a real-life mystery of love and passion. . . in the form of a beautiful woman who says she's his guardian angel? Impossible. Yet there in his New York hotel room is an enchanting creature named Gabriella Light, who inexplicably and dramatically has just saved his life. Voluptuous and exquisitely dressed, sexy Gabriella, angel or not, is determined to keep him alive as a terrifying web of intrigue closes around him. Pursued by a very real and present danger, Sean Desmond will question his own sanity and his deepest beliefs, as he experiences what cannot be rationalized away as anything other than a powerful, radiant, and

A modern woman in the court of King Richard III is torn between saving the man she loves and stopping a historic wrong in this time-travel romance. English historian Jayne Lyons has pinned her career hopes on proving that her ancestor, King Richard III, was not the nefarious villain of Shakespeare's tragedy. In fact, she believes he is innocent of the infamous murder of the Princes in the Tower. But while volunteering with the search for his missing grave, Jayne gets a much closer look at Richard than she expected. Cast back into the brutal 15th century, she suddenly finds herself in the middle of Richard's army camp. Realizing that she may not be able to return home, Jayne begins to adjust to her new life. And the more she gets to know the

true Richard, the more she is drawn to him. She even starts entertaining the hope of saving him. But the Princes are missing, and all evidence points to Richard. When he asks her to spy for him against his enemy, Henry Tudor, she must decide whether to help the man she loves, even though he may be one of history's greatest villains. THE 2018 RONE AWARD WINNER FOR BEST IN TIME TRAVEL

Beset by prophetic dreams since the time she was a child, Elienor knew the Norsemen would storm Brouillard castle--she saw it in a dream. She saw the death of many. And she saw him--the golden-haired Viking who would claim her for his prize... Jarl Alarik Tryggvason sought revenge against the French count for reneging on a bargain; what he got was a dark-haired beauty with violet eyes. Beguiled by her fiery spirit, she arouses him, body and soul... but in a land full of strife, Alarik risks everything to love the woman whose dreams hold their future in thrall. Please note: Based on a true story, this novel reflects a sometimes harsh Viking culture.

Shortlisted for the East Anglian Book Awards 2016! It has been estimated that over 90% of England's figurative medieval art was obliterated in the image destruction of the Reformation. Medieval angel roofs, timber structures with spectacular and ornate carvings of

angels, with a peculiar preponderance in East Anglia, were simply too difficult for Reformation iconoclasts to reach. Angel roof carvings comprise the largest surviving body of major English medieval wood sculpture. Though they are both masterpieces of sculpture and engineering, angel roofs have been almost completely neglected by academics and art historians, because they are inaccessible, fixed and challenging to photograph. 'The Angel Roofs of East Anglia' is the first detailed historical and photographic study of the region's many medieval angel roofs. It shows the artistry and architecture of these inaccessible and little-studied medieval artworks in more detail and clarity than ever before, and explains how they were made, by whom, and why. Michael Rimmer redresses the scholarly neglect and brings the beauty, craftsmanship and history of these astonishing medieval creations to the reader. The book also offers a fascinating new answer to the question of why angel roofs are so overwhelmingly an East Anglian phenomenon, but relatively rare elsewhere in the country.

In Book Two of L. A. Weatherly's wildly romantic, action-packed trilogy, the angels are back with a vengeance . . . and they don't have heaven in mind. In the wake of the Second Wave, the angel menace has exploded, and Alex and Willow are on the lam. Willow's prophetic dream points them to Mexico City, where they connect with a fledgling

group of angel killers led by the exotically beautiful Kara, an Angel Killer from Alex's past. But the team remains suspicious of Willow, even after the more-experienced Alex takes over as leader, training them hard for a rush attack on the Seraphic Council, or "The Twelve." This elite group of all-powerful angels is also under the scrutiny of Willow's angel-father, Raziell, who has his own sinister plan to defeat them. What Willow hasn't told Alex is that there was also a mysterious boy in her dream, one she felt overpoweringly attracted to. When brooding, gorgeous Seb shows up in the flesh, he turns out to be another – possibly the world's only other – half angel. He's been searching for Willow all his life, and when Alex enlists this rival to help keep Willow safe, he can't predict what chemistry will pass between them . . . or how far Willow might go to keep Alex safe. Will their love endure or spell doomsday for the human race?

LOVE HIM AGAINST HER WILL Serena wants nothing to do with the fierce warrior to whom she has been unwillingly given, the knight who may have killed her father. When she learns the Red Wolf is coming to claim her, she dyes her flaxen hair brown and flees, disguised as a servant, determined to one day regain her lands. But her escape goes awry and she is brought back to live among her people, though not unnoticed by the new Norman lord. Deprived of his promised bride, the Red Wolf turns his attention to the comely servant girl hoping to woo her to his bed. But the wench resists, claiming she hates all Normans. As the passion between them rises, Serena wonders, can she deny the Norman her body? Or her heart?
