Winner of the Pulitzer Prize for Drama Angels in America: A Gay Fantasia on National Themes includes Part One, Millennium Approaches and Part Two, Perestroika "Glorious. A monumental, subversive, altogether remarkable masterwork...Details of specific catastrophes may have changed since this Reagan-era AIDS epic won the Pulitzer and the Tony, but the real cosmic and human obsessions--power, religion, sex, responsibility, the future of the world--are as perilous, yet as falling-down funny, as ever." -Linda Winer, Newsday "A vast, miraculous play... provocative, witty and deeply upsetting... a searching and radical rethinking of American political drama." - Frank Rich, New York Times "A victory for theater, for the transforming power of the imagination to turn devastation into beauty." - John Lahr, New Yorker "An enormously impressive work of the imagination and intellect, a towering example of what theater stretched to its full potential can achieve." -Philadelphia Inquirer "Angels in America is the finest drama of our time, speaking to us of an entire era of life and death as no other play within memory. It ranks as nothing less than one of the greatest plays of the twentieth century." - John Heilpern, New York Observer "Some playwrights want to change the world. Some want to revolutionize theater. Tony Kushner is that rarity of rarities: a writer who has the promise to do both." -New York Times This new edition of Tony Kushner's masterpiece is published with the author's recent changes and a new introduction in celebration of the twentieth anniversary of its original production. One of the most honored American plays in history, Angels in America was awarded two Tony Awards for Best Play and the Pulitzer Prize for Drama. It was made into an Emmy Award-winning HBO film directed by Mike Nichols. This two-part epic, subtitled "A Gay Fantasia on National Themes," has received hundreds of performances worldwide in more than twenty-six languages. Tony Kushner's plays include Angels in America; Hydriotaphia, or the Death of Dr. Brown; The Illusion, adapted from the play by Pierre Cornelle; Slavs!; A Bright Room Called Day; Homebody/Kabul; Caroline, or Change, a musical with composer Jeanine Tesori; and The Intelligent Homosexual's Guide to Capitalism and Socialism with a Key to the Scriptures. He wrote the screenplays for Mike Nichols's film of Angels in America and for Steven Spielberg's Munich and Lincoln. His books include The Art of Maurice Sendak: 1980 to the Present; Brundibar, with illustrations by Maurice Sendak; and Wrestling with Zion: Progressive Jewish-American Responses to the Israeli-Palestinian Conflict, co-edited with Alisa Solomon. Among many honors, Kushner is the recipient of a Pulitzer Prize, two Tony Awards, three Obie Awards, two Evening Standard Awards, an Olivier Award, an Emmy Award, two Oscar nominations, and the Steinberg Distinguished Playwright Award. He is a member of the American Academy of Arts and Letters. In 2012, he was awarded a National Medal of Arts by President Barack Obama. He lives in Manhattan with his husband, Mark Harris.

America in the mid-1980s. In the midst of the AIDS crisis and a conservative Reagan administration, New Yorkers grapple with life and death, love and sex, heaven and hell. This edition, published alongside the major revival at the National Theatre in 2017, contains both plays, Part One: Millennium Approaches, and Part Two: Perestroika.

Part One of the two-part Angels in America, Tony Kushner's epic drama set during the Reagan years in America - now recognised as one of the greatest plays of the twentieth century. Prior, visited by ghosts of his ancestors and abandoned by his lover after his diagnosis with AIDS, is wondering if he is still sane when the angels select him to be their prophet. Powerbroker Roy Cohn also has the virus - but he believes that only the powerless can have that particular illness, and so kicks back against his diagnosis. In the 'melting pot where nothing melted' of modern America, the nation's reaction to the sickness - and its sufferers - is laid bare. Millennium Approaches was premiered in May 1991 by the Eureka Theatre Company, San Francisco, directed by David Esbjornson. In London it was premiered in January 1992 in a National Theatre production at the Cottesloe Theatre, directed by Declan Donnellan. The play received many awards, including Best Play at the 1992 Evening Standard Awards, Best New Play at the 1992 Critics' Circle Awards, Best Play at the 1993 Tony Awards and the 1993 Pulitzer Prize for Drama.

"ANGELS IN AMERICA has proved to be a watershed drama, the most lyrical and ambitious augury of an era since Tennessee Williams's The Glass Menagerie." John Lahr, The New Yorker "The most influential American play of the last two decades." Patrick Healy, The New York Times "Daring and dazzling! The most ambitious American play of our time: an epic that ranges from earth to heaven; focuses on politics, sex and religion; transports us to Washington, the Kremlin, the South Bronx, Salt Lake City and Antarctica; deals with Jews, Mormons, WASPs, blacks; switches between realism and fantasy, from the tragedy of AIDS to the camp comedy of drag queens to the death or at least absconding of God." Jack Kroll, Newsweek "The greatest American play of the waning years of the twentieth century." Chris Jones, Chicago Tribune

"Marvelous . . . A vital book about how to make political art that offers lasting solace in times of great trouble, and wisdom to audiences in the years that follow."- Washington Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR A STONEMALL BOOK AWARDS HONOR BOOK The oral history of Angels in America, as told by the artists who created it and the audiences forever changed by it--a moving account of the AIDS era, essential queer history, and an exuberant backstage tale. When Tony Kushner's Angels in America hit Broadway in 1993, it won the Pulitzer Prize, swept the Tonys, launched a score of major careers, and changed the way

gay lives were represented in popular culture. Mike Nichols's 2003 HBO adaptation starring Meryl Streep, Al Pacino, and Mary-Louise Parker was itself a tour de force, winning Golden Globes and eleven Emmys, and introducing the play to an even wider public. This generation-defining classic continues to shock, move, and inspire viewers worldwide. Now, on the 25th anniversary of that Broadway premiere, Isaac Butler and Dan Kois offer the definitive account of Angels in America in the most fitting way possible: through oral history, the vibrant conversation and debate of actors (including Streep, Parker, Nathan Lane, and Jeffrey Wright), directors, producers, crew, and Kushner himself. Their intimate storytelling reveals the on- and offstage turmoil of the play's birth--a hard-won miracle beset by artistic roadblocks, technical disasters, and disputes both legal and creative. And historians and critics help to situate the play in the arc of American culture, from the staunch activism of the AIDS crisis through civil rights triumphs to our current era, whose politics are a dark echo of the Reagan '80s. Expanded from a popular Slate cover story and built from nearly 250 interviews, *The World Only Spins Forward* is both a rollicking theater saga and an uplifting testament to one of the great works of American art of the past century, from its gritty San Francisco premiere to its starry, much-anticipated Broadway revival in 2018.
