A practical step-by-step introduction to the analysis of English grammar, taking an integrated approach to function and structure.

Grammar Works 2 provides upper-elementary grammar practice for young students. For students from 10-12 years upwards, Grammar Works is a series of three lively, colourful workbooks designed to supplement and consolidate the grammar content of a course book. This book is ideal for teachers' teaching at Level 1.

Strong language skills are essential to success in school and life. Knowing the elements of language and understanding how they work together greatly enhances all language-based abilities. Grammar Practice Simplified Book C is designed to help students learn the elements of language and understand how they work together. Students review the kinds of sentences; then they study nouns, pronouns, and verbs and use these elements in sentences. Students are introduced to subjects and predicates, adverbs, and adjectives. Proofreading is stressed; activities encourage students to look over all written work to be sure it is free of errors. Punctuation is covered in detail, including correct use of the period, question mark, exclamation point, comma, and apostrophe. Capitalization of sentences, proper nouns, and proper adjectives is reviewed. As they complete the book, students write independently and proofread their own work. Readability has been carefully controlled for younger students, but the approach and design make the book useful for older, language-delayed students or students who speak English as a second language. Answers are provided at the back of the book. Book C is Grades 4-5.

Strong language skills are essential to success in school and life. Knowing the elements of language and understanding how they work together greatly enhances all language-based abilities. Grammar Practice Simplified Book B is designed to help students use the rules of grammar to communicate clearly. Students learn to recognize and correct sentence fragments, edit sentences for subject-verb agreement, use nouns and pronouns correctly, use present and past tenses, and to capitalize and punctuate sentences. Finally, students are introduced to some abbreviations and to elements of letter writing, including addresses. Readability has been carefully controlled for younger students, but the approach and design make the book useful for older, language-delayed students or students who speak English as a second language. Answers are provided at the back of the book. Book B is Grades 3-4.

Containing 1000 varied questions, Conquer Grammar Workbook 1 is designed to provide students with a systematic approach to mastering grammar and usage covered in the curriculum. The exercises in this book can be used as a resource for enrichment work to complement the textbook. Each grammar item is enforced over a few exercises. Revision exercises are included for extra practice. General revision exercises included at the back of the book serve as quick assessment tests. Answers to all questions are provided for easy self-assessment. Teachers and students can choose the exercises to work on by referring to the contents page. The pages of the book are perforated so that each exercise can be easily detached and used as a worksheet for classroom and/or home learning. This book will certainly help students keen on learning to write and communicate more effectively in the language.

Strong language skills are essential to success in school and life. Grammar is the structure of language. Knowing the elements of language and understanding how they work together greatly enhances all language-based abilities. Grammar Practice Simplified Book E is designed to help students use the parts of speech correctly in speaking and writing. They review the kinds of sentences; then they study nouns, pronouns, and verbs and use these elements in sentences. Students are introduced to subjects and predicates, adverbs, and adjectives. Punctuation is covered in detail, including correct use of the period, question mark, exclamation point, comma, and apostrophe. Capitalization is reviewed. Short exercises throughout the book require students to write independently. Readability has been carefully controlled for younger students, but the approach and design make the book useful for older, language-delayed students or students who speak English as
