It emphasizes the study of national income, price determination, economic performance measures, economic growth, and international economics. The AP Macro Exam format is:

AP Macroeconomics Review | AP Practice Exams

Macroeconomics. The prefix macro means large, indicating that macroeconomics is concerned with the study of the market system on a large scale. Macroeconomics considers the aggregate performance of all markets in the market system and is concerned with the choices made by the large subsectors of the economy—the household sector, which includes all consumers; the business sector, which includes all firms; and the government sector, which includes all government agencies.

Macroeconomics - CliffsNotes Study Guides

I. This resource is not meant to teach you economics; rather it is meant to serve as a concise guide for you to review economic knowledge you have already learned (translation: you still need to pay attention in class) II. Very few parts of this study guide are bolded so pay special attention to bolded sections III.
