of subject matter to know if you want to succeed on your AP Psychology exam. That ' s why we ' ve selected these 500 AP-style questions and answers that cover all topics found on this exam. The targeted questions will prepare you for what you ' ll see on test day, help you study more effectively, and use your review time wisely to achieve your best score. Each question includes a concise, easy-to-follow explanation in the answer key. You can use these questions to supplement your overall AP Psychology preparation or run them shortly before the test. Either way, 5 Steps to a 5 500 Psychology Questions will get you closer to achieving the score you want on test day.

Announcing a new Myers/DeWall text, created specifically for the Fall 2019 AP® course framework! You are likely familiar with the name Dr. David G. Myers. Now, he and his new co-author, Nathan DeWall, bring you a book that will allow you to use College Board ' s new Personal Progress Checks and Dashboard more effectively. This updated edition includes 100% of the new course content in the new nine-unit structure. All teacher and student resources will also be updated to correlate to the new student edition; this includes the TE, TRFD, TB, Strive, and LaunchPad. Everything will publish in summer 2020 such that you can use this new program for Fall 2020 classes. If you ' re not familiar with Myers/DeWall texts, you are in for a treat! Drs. Myers and DeWall share a passion for the teaching of psychological science through wit, humor, and the telling of poignant personal stories (individually identified in the text by the use of each author ' s initials [DM and ND]). Through close collaboration, these authors produce a unified voice that will teach, illuminate, and inspire your AP® students.
