Apocalypse delayed: the story of Jehovah's Witnesses - M ...

He began work on Apocalypse Delayed: The Story of Jehovah's Witnesses soon afterwards, but halted his research and writing in 1979 after developing concerns over what he viewed as a growing punitive response of the religion's leadership to doctrinal dissent from within its ranks.

James Penton - Wikipedia

Signs of the Apocalypse . Like the Christian apocalypse, Ragnarok sets out a series of signs that will ultimately define the end of times. The first sign is the Fimbulvetr, a long and continuous cold winter with constant snow that will last for a year. A red rooster called Fjalar will warn the Giants that Ragnarok has begun.

Using materials from Witness archives, the U.S. State Department, Nazi files, and other sources, M. James Penton demonstrates that while many ordinary German Witnesses were brave in their opposition to Nazism, their leaders were quite prepared to support the Hitler government. --from publisher description

Since 1876, Jehovah's Witnesses have believed that they are living in the last days of the present world. Charles T. Russell, their founder, advised his followers that members of Christ's church would be raptured in 1878, and by 1914 Christ would destroy the nations and establish his kingdom on earth. The first prophecy was not fulfilled, but the outbreak of the First World War lent some credibility to the second. Ever since that time, Jehovah's Witnesses have been predicting that the world would end "shortly." Their numbers have grown to many millions in over two hundred countries. They distribute a billion pieces of literature annually, and continue to anticipate the end of the world. For almost thirty years, M. James Penton's *Apocalypse Delayed* has been the definitive scholarly study of this religious movement. As a former member of the sect, Penton offers a comprehensive overview of the Jehovah's Witnesses. His book is divided into three parts, each presenting the Witnesses' story in a different context: historical, doctrinal, and sociological. Some of the issues he discusses are known to the general public, such as the sect's opposition to military service and blood transfusions. Others involve internal controversies, including political control of the organization and the handling of dissent within the ranks. Thoroughly revised, the third edition of Penton's classic text includes substantial new information on the sources of Russell's theology and on the church's early leaders, as well as coverage of important developments within the sect since the second edition was published fifteen years ago.

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. *How John Wrote the Book of Revelation* takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. *How John Wrote the Book of Revelation* is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. *How John Wrote the Book of Revelation* is like no other book that has been written before, and sets a new paradigm for all Biblical works.

School's out for the end of the world. Anna and the Apocalypse is a horror comedy about a teenager who faces down a zombie apocalypse with a little help from her friends. Anna Shepherd is a straight-A student with a lot going on under the surface: she's struggling with her mom's death, total friend drama, and the fallout from wasting her time on a very attractive boy. She's looking forward to skipping town after graduation—but then a zombie apocalypse

majorly disrupts the holidays season. It's going to be very hard to graduate high school without a brain. To save the day, Anna, her friends, and her frenemies will have to journey straight to the heart of one of the most dangerous places ever known, a place famous for its horror, terror, and pain...high school. This novel is inspired by the musical feature film, Anna and the Apocalypse—sing and slay along at home with the VOD release! An Imprint Book

"Bo, you should know that if we lived in the old Israel two thousand years ago, you should have been stoned to death and I would have been the one who threw the first stone." Those words ended the first phone call Bo Juel shared with his beloved grandfather in over fifteen years, and they were the last words he would ever hear from the man. Bo's crime? Leaving the religion of Jehovah's Witnesses after suffering the worst cruelties any child could ever live through. *The Least of God's Priorities* tells of one man's harrowing journey through unimaginable abuses, including years of sexual molestation at the hands of a congregation elder, physical violence, betrayal, lies, family secrets, and the most horrific loss a young father can face. With a foreword written by leading cult expert Steven A. Hassan, M.Ed., LMHC, NCC, author of *Combating Mind Control, The #1 Best-Selling Guide to Protection, Rescue, and Recovery From Destructive Cults*.
