The "April Morning" here is the famous April 19, 1775 upon which the "Shot heard 'round the world" was fired, signaling the start of the American Revolution. Faithful to author Howard Fast's somewhat revisionist view that the skirmishes between the Colonial militia and the British troops in Lexington and Concord (Massachusetts) were precipitated as much by fervent American patriots led by Solomon Chandler as by any "Redcoat" belligerence.

The New York Times bestseller that’s “so glowingly human a picture of Tom Paine and America in the revolutionary days” (The New York Herald). Thomas Paine’s voice rang in the ears of eighteenth-century revolutionaries from America to France to England. He was friend to luminaries such as Thomas Jefferson, Ben Franklin, and William Wordsworth. His pamphlets extolling democracy sold in the millions. Yet he died a forgotten man, isolated by his rough manners, idealistic zeal, and unwillingness to compromise. Howard Fast’s brilliant portrait brings Paine to the fore as a legend of American history, and provides readers with a gripping narrative of modern democracy’s earliest days in America and Europe. This ebook features an illustrated biography of Howard Fast including rare photos from the author’s estate.

The first book in bestselling author Howard Fast's beloved family saga "A most wonderful book...there hasn't been a novel in years that can do a job on readers' emotions that the last fifty pages of The Immigrants does." -Los Angeles Times In this sweeping journey of love and fortune, master storyteller Howard Fast recounts the rise and fall of a family of roughneck immigrants determined to make their way in America at the turn of the century. Quick to ascend from the tragic depths of the 1906 San Francisco earthquake, Dan Lavette becomes the head of a powerful shipping empire and establishes himself among the city's cultural elite. But when he finds himself caught in a loveless marriage to the daughter of San Francisco's richest family, a scandalous love affair threatens to destroy the empire Dan has built for himself. The first of a compelling family saga, The Immigrants is a fast-paced, emotional novel that captures the wide range of relationships among immigrant families during the tumultuous events that defined the early twentieth century in America. "A non-stop page-turner...moving, vivid...a splendid achievement!" -Erica Jong "Howard Fast is fiercely American. He is one of ours, one of our very best!" -Los Angeles Times "Warmth...Power...Tenderness...Excitement...Readers will find themselves anxiously awaiting the sequel." -Columbus Dispatch

"Fast is at his best as a storyteller"— Christian Science Monitor The strength of five brothers will define a nation. My Glorious Brothers is the epic story of perhaps the most breathtaking chapter in the history of Israel, a stirring tale of courage for those who like to find meaning for today's world in the great events of history. After witnessing a ransacked and desecrated Jerusalem, Simon and his four brothers — soon to be known and revered as the Maccabees — rise to lead an earthshaking rebellion. Their tale has almost no parallel in human history. Theirs was the will, fire, and unbending spirit that inspired the timeless rite of Hanukkah, transforming a society of farmers and scholars into an unconquerable army that would wage the first modern fight for freedom and the first victory for religious freedom. Master storyteller Howard Fast recounts the story of great battles, brutal atrocities, and undying love and loyalty. But it is also a sensitive and sure picture of a people and an age, in which the mood of a small but spirited segment of humanity two thousand years ago is recreated with gripping authenticity. PRAISE FOR HOWARD FAST: "Emotional, exciting, and entertaining."— Philadelphia Inquirer "Relentless pace of events...real experience leaping full-bodied from Fast's imagination!"— New York Times

It is all of that: a model, which may easily become a classic example, of what to put in and what to leave out in the writing of a historical novel. I do not believe it is saying too much to suggest that in the person of Mr. Fast we may have the next really important American historical novelist". -- Joseph Henry Jackson, New York Herald Tribune Books"Fast's writing, austerely polished and austerely poetic, is admirably suited to this epic tale of a desperate effort for dignified survival. ... Fast has gotten to the core of this incident and made it into a rich American novel!". -- New York Times Book Review"An amazing restoration and reconstruction. Thecharacters breathe, the landscape is solid ground and sky, and the story runs flexibly along the zigzag trail of a people driven by a deep instinct to their ancient home. I do not know any other episode in Western history that has been so truly and subtly perpetuated as this one. A great story lost has been found again, and as here told promises to live for generations". -- Carl Van Doren

She'll Risk Her Freedom to Find Freedom "A novel of satisfying depth and breadth, written in good, clean, forceful prose." -Chicago Tribune Desperate for independence and scornful of the hypocrisy of the upper class, Barbara Lavette returns to her family home in San Francisco following her first year of college determined to make her own way in the world. After abandoning her privileged life to disguise herself as a poor volunteer down on the wharf, Barbara journeys to France to report on the onset of Nazi terror and the coming of World War II. But when tragedy strikes deep at the heart of the life Barbara has built for herself in Europe, she is forced to return to San Francisco heartbroken and alone where she must face the family she ran away from. The second book in master storyteller Howard Fast's epic family saga, Second Generation vividly depicts the lives of the Lavette family as they struggle to persevere in America during the chaos of the Depression and World War II.

Fast's epic novel, about one man’s family tree stretching through history from the Revolutionary War, portrays the best and worst of the American experiment Broken and sick, a young Revolutionary War soldier from New York is taken in by an innkeeper’s family and nursed to health. The soldier, John Preswick, falls in love with the innkeeper’s daughter, even as his wife Inez waits back home. Through five generations, the two families he starts share an intertwined fate. The Preswicks take part in some of the country’s most significant episodes, from the Civil War to the California Gold Rush, with fortunes discovered, lost, and made on the backs of others. A tenacious chronicler of American history, Howard Fast was one of the most prolific historical novelists of the twentieth century. Strange Yesterday is perhaps his most sweeping, ambitious novel. This ebook features an illustrated biography of Howard Fast including rare photos from the author’s estate.

Bestselling author Howard Fast’s final novel—a page-turning tale of intrigue, power, and betrayal set in one of America’s wealthiest suburbs Greenwich follows a diverse cast of characters in one of the country’s most affluent towns: Greenwich, Connecticut. When evidence emerges that Richard Castle, a wealthy ex-government official, approved the 1980 killings of Jesuit priests and nuns in El Salvador, Castle must find a way to save himself from his ruthless former colleagues, who are bent on keeping the past buried any way they can. Told with Fast’s typical brisk pacing, Greenwich explores the links between wealth and power, and the violence waged to maintain them.
