Chapter 7. The Road to Revolution. 1763-1775 . Because the British controlled more North American territory after the Seven Years War, they had to devote more troops and supplies to secure the territories. The British needed more money to support this, so they started levying taxes on the American colonists. The Deep Roots of Revolution

The new edition of American Pageant, the leading program for AP U.S. history, now reflects the redesigned AP Course and Exam that begins with the 2014–2015 school year. The 16th edition helps prepare students for success on the AP Exam by 1) helping them practice historical thinking skills, pulling together concepts with events, and 2) giving them practice answering questions modeled after those they'll find on the exam. The new edition adds a two-page opener/preview to every chapter, guiding students through the main points of the chapter and using questions and elements tied to the AP Curriculum Framework to help them internalize the chapter more conceptually. Also new are additional End-of-Part multiple-choice and short answer questions reflecting the changes to the exam. Practice DBQs and other free response essay questions will still be found at the back of the book.

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, “Contending Voices,” offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1?41); Volume 1: To 1877 (Chapters 1?22); Volume 2: Since 1865 (Chapters 22?41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Chapter outline and summary, key terms and definitions, identification questions, multiple choice questions, short-answer questions, essay questions and skill-building activities such as map exercises.

Say goodbye to boring history readings. Through colorful anecdotes, first-person quotations and the authors' signature wit, Kennedy/Cohen/O'Mara/Piehl's THE BRIEF AMERICAN PAGEANT: A HISTORY OF THE REPUBLIC has earned the reputation as one of the most popular, effective and entertaining U.S. history texts. Its concise and vivid chronological narrative focuses on the central themes and great public debates that have dominated American history. The 10th edition provides expanded emphasis on the international context of numerous developments in U.S. history, Native American history, Black historical figures, the Roaring '20s, post-World War II movements for racial justice, privacy issues in the digital age and more. In addition, a variety of study tools help maximize your success -- including MindTap's anywhere, anytime digital learning solutions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Practice DBQs and other free response essay questions will still be found at the back of the book.

Kaplan's, 5-Steps, Crash Course and other review books are great resources for that last month before the exam, but Tamm's Textbook Tools student activity books are meant to be an accompaniment all year long. This AP* U.S. History companion is filled with vocab and assignments that follow the Kennedy/Cohen sixteenth edition for all 41 chapters. They can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be assigned as regular homework. All you need is the textbook. Teachers can copy at will, or the book can be used as a student consumable. As publishers began putting their content online, a niche for traditional classwork was opened, a void filled by this series. And whether the textbook itself is written in ink or electrons, many students still find it more valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, and diagram every chapter. Find TTT on FB.
