Understanding "Jerusalem" by Jez Butterworth for A Level Students is a complete study guide, written for students and teachers who are preparing for A level exams in 2018 and subsequent years. This edition has been written to aid both English

Literature and Drama & Theatre
students with their coursework and
final exams. "Jerusalem" is an
important modern drama which is
being taught for English Literature
coursework for the OCR exam board.
It is also studied for the AQA Drama
and Theatre A level. As far as I am

Online Library Aqa Drama And Theatre Studies A2

aware, no guide for students of this play has yet been published. What you will find here is a literary analysis which reads the play for meaning. I hope that it will serve a wider purpose, not just in highlighting some of what makes Butterworth's play so impressive, but in helping readers to

Online Library Aqa Drama And Theatre Studies A2

develop a reading method which can lead us to a reliable interpretation of any literary text. I also hope that the analysis here will help drama studies students to conceptualise the play, as they focus on characterisation as well as plot.
