A fitting tribute to a literary legend and a profoundly humane humorist, Armageddon in Retrospect is a collection of twelve previously unpublished writings. Imbued with Vonnegut's trademark rueful humor and outraged moral sense, the pieces range from a letter written by Vonnegut to his family in 1945, informing them that he'd been taken prisoner by the Germans, to his last speech, delivered after his death by his son Mark, who provides a warmly personal introduction to the collection.

Armageddon in Retrospect—Kindle edition by Vonnegut ...

In Armageddon in Retrospect, a posthumous collection of essays and stories, Kurt Vonnegut Jr. comes off as a bleeding-heart liberal in the best sense of the term. There ’s a distinction to be made between the bleeding-heart liberal and the hardline leftist. Both are useful and valuable in their own way.

The first and only collection of unpublished works by Kurt Vonnegut since his death—a fitting tribute to the author, and an essential contribution to the discussion of war, peace, and humanity’s tendency toward violence. Armageddon in Retrospect is a collection of twelve new and unpublished writings on war and peace.

9780399156086: Armageddon in Retrospect—AbeBooks ...

Revisiting the book reminded me of two things: One, the world lost one of its greatest observers of and commentators on culture the day Vonnegut died; two, how fantastic the 2009 anthology Armageddon in Retrospect is — the first posthumous collection of 12 never-before-published stories by Vonnegut, including fiction, nonfiction and, perhaps most notably, his last speech, which he wrote in 2007 and was meant to deliver in April of that year, but passed away shortly prior, so his son Mark ...

KURT VONNEGUT ARMAGEDDON IN RETROSPECT PDF

April 2008 u000bKurt Vonnegut ’s experiences as a prisoner of war in Dresden, Germany - the inspiration for his novel, Slaughterhouse-Five - still bear heavily on his mind in Armageddon in Retrospect, a posthumous collection of 12 short stories and observations assembled and introduced by his son, pediatrician and memoirist Mark Vonnegut.

Book Review—Armageddon in Retrospect by Kurt Vonnegut ...

Armageddon in Retrospect an unexpected gift Such a delightful surprise to find that Kurt Vonnegut had written yet another book. Published posthumously, it is a grand combination of his signature wit, curmudgeonly chastishments about the poor state of human affairs and the world.

Armageddon in Retrospect by Kurt Vonnegut (2008, Hardcover) ...

What other book might you compare Armageddon in Retrospect to and why? This book contains the foundational thought that went into writing Slaughterhouse Five. The two short novella’s in the book seemed to be Vonnegut working though his ideas on the subject of man’s inhumanity to man.

Armageddon in Retrospect by Kurt Vonnegut | Audiobook ...

Summary and reviews of Armageddon in Retrospect by Kurt ...

The New York Times bestseller from the author of Slaughterhouse-Five—a “gripping” posthumous collection of Kurt Vonnegut ’s previously unpublished work on the subject of war and peace. A fitting tribute to a literary legend and a profoundly humane humorist, Armageddon in Retrospect is a collection of twelve previously unpublished writings.

The New York Times Bestseller from the author of Slaughterhouse-Five—a “gripping” posthumous collection of Kurt Vonnegut ’s previously unpublished work on the subject of war and peace. A fitting tribute to a literary legend and a profoundly humane humorist, Armageddon in Retrospect is a collection of twelve previously unpublished writings.

Imbued with Vonnegut's trademark rueful humor and outraged moral sense, the pieces range from a letter written by Vonnegut to his family in 1945, informing them that he'd been taken prisoner by the Germans, to his last speech, delivered after his death by his son Mark, who provides a warmly personal introduction to the collection. Taken together, these pieces provide fresh insight into Vonnegut's enduring literary genius and reinforce his ongoing moral relevance in today ’s world. Includes an Introduction by Mark Vonnegut

First published on the anniversary of Kurt Vonnegut's death, Armageddon in Retrospect is a collection of twelve new writings - a fitting tribute to the author, and an essential contribution to the discussion of war, peace and humanity's tendency towards violence. Imbued with Vonnegut's trademark rueful humour, the pieces range from a visceral non-fiction recollection of the destruction of Dresden - to a painfully funny short story about three soldiers and their fantasies of the perfect meal.

Look at the Birdie is a collection of fourteen previously unpublished short stories from one of the most original writers in all of American fiction. In this series of perfectly rendered vignettes, written just as he was starting to find his comic voice, Kurt Vonnegut paints a warm, wise, and often funny portrait of life in post–World War II America—a world where squabbling couples, high school geniuses, misfit office workers, and small-town lotharios struggle to adapt to changing technology, moral ambiguity, and unprecedented affluence. How do you plan the perfect murder? Belly up to the bar with Vonnegut’s narrator and listen as a self-proclaimed “murder counselor” outlines his fool-proof program for getting rid of your enemies—and assuring yourself a guaranteed annuity income for life. Look at the Birdie and the thirteen other never-before-published pieces that comprise Look at the Birdie serve as an unexpected gift for devoted readers who thought that Kurt Vonnegut’s unique voice had been stilled forever—and provide a terrific introduction to his short fiction for anyone who has yet to experience his genius.

NEW YORK TIMES BESTSELLER • “For all those who have lived with Vonnegut in their imaginations . . . this is what he is like in person.” —USA Today In a volume that is penetrating, introspective, incisive, and laugh-out-loud funny, one of the great men of letters of this age—or any age—holds forth on life, art, sex, politics, and the state of America ’s soul. From his coming of age in America, to his formative war experiences, to his life as an artist, this is Vonnegut doing what he does best: Being himself. Whimsically illustrated by the author, A Man Without a Country is intimate, tender, and brimming with the scope of Kurt Vonnegut ’s passions. Praise for A Man Without a Country “ [This] may be as close as Vonnegut ever comes to a memoir.” —Los Angeles Times “ Like [that of] his literary ancestor Mark Twain, [Kurt Vonnegut ’s] crankiness is good-humored and sharp-witted. . . . [Reading A Man Without a Country is] like sitting down on the couch for a long chat with an old friend.” —The New York Times Book Review “ Filled with [Vonnegut ’s] usual contradictory mix of joy and sorrow, hope and despair, humor and gravity.” —Chicago Tribune “ Fans will linger on every word . . . as once again [Vonnegut] captures the complexity of the human condition with stunning calligraphic simplicity.” —The Australian “ Thank God, Kurt Vonnegut has broken his promise that he will never write another book. In this wondrous assemblage of mini-memoirs, we discover his family ’s legacy and his obstinate, unfashionable humanism.” —Studs Terkel

“ [Kurt Vonnegut] is either the funniest serious writer around or the most serious funny writer.” —Los Angeles Times Book Review In this self-portrait by an American genius, Kurt Vonnegut writes with beguiling wit and poignant wisdom about his favorite comedians, country music, a dead friend, a dead marriage, and various cockamamie aspects of his all-too-human journey through life. This is a work that resonates with Vonnegut ’s singular voice: the magic sound of a born storyteller mesmerizing us with truth. “ Vonnegut is at the top of his form, and it is wonderful.” —Newsday

From Slapstick’s “Turkey Farm” to Slaughterhouse-Five’s eternity in a Tralfamadorean zoo cage with Montana Wildhack, the question of the afterlife never left Kurt Vonnegut's mind. In God Bless You, Dr. Kevorkian, Vonnegut skips back and forth between life and the Afterlife as if the difference between them were rather slight. In thirty odd “interviews,” Vonnegut trips down “the blue tunnel to the pearly gates” in the guise of a roving reporter for public radio, conducting interviews: with Salvatore Biagini, a retired construction worker who died of a heart attack while rescuing his schnauzer from a pit bull, with John Brown, still smoldering 140 years after his death by hanging, with William Shakespeare, who rubs Vonnegut the wrong way, and with socialist and labor leader Eugene Victor Debs, one of Vonnegut’s personal heroes. What began as a series of ninety-second radio interludes for WNYC, New York City’s public radio station, evolved into this provocative collection of musings about who and what we live for, and how much it all matters in the end. From the original portrait by his friend Jules Feiffer that graces the cover, to a final entry from Kilgore Trout, God Bless You, Dr. Kevorkian remains a joy.

“ Vonnegut is George Orwell, Dr. Caligari and Flash Gordon compounded into one writer . . . a zany but moral mad scientist.” —Time Mother Night is a daring challenge to our moral sense. American Howard W. Campbell, Jr., a spy during World War II, is now on trial in Israel as a Nazi war criminal. But is he really guilty? In this brilliant book rife with true gallows humor, Vonnegut turns black and white into a chilling shade of gray with a verdict that will haunt us all. “ A great artist.” —Cincinnati Enquirer “ A shaking up in the kaleidoscope of laughter . . . Reading Vonnegut is addictive!” —Commonweal

NATIONAL BESTSELLER • Foreword by Dave Eggers These previously unpublished, beautifully rendered works of fiction are a testament to Kurt Vonnegut ’s unique blend of observation and imagination. Here are stories of men and machines, art and artifice, and how ideals of fortune, fame, and love take curious twists in ordinary lives. An ambitious builder of roads fritters away his free time with miniature trains—until the women in his life crash his fantasy land. Trapped in a stenography pool, a young dreamer receives a call from a robber on the run, who presents her with a strange proposition. A crusty newspaperman is forced onto a committee to judge Christmas displays—a job that leads him to a suspiciously ostentatious ex-con and then a miracle. Featuring a Foreword by Dave Eggers, While Mortals Sleep is a poignant reflection of our world as it is and as it could be. Includes the following stories: “ Jenny ” “ The Epizootic ” “ Hundred-Dollar Kisses ” “ Guardian of the Person ” “ With His Hand on the Throttle ” “ Girl Pool ” “ Ruth ” “ While Mortals Sleep ” “ Out, Brief Candle ” “ Tango ” “ Bomar ” “ The Man Without No Kiddleys ” “ Mr. Z ” “ \$10,000 a Year, Easy ” “ Money Talks ” “ The Humbugs ” Praise for While Mortals Sleep “ Immensely readable and thoroughly entertaining.” —The Washington Post “ Taut, concise . . . The stories set themselves up with neat swiftness, proceed at a clip, and shut down with equal speed, [showing Vonnegut] honing his skills in structure and satire.” —Los Angeles Times “ A lovely reminder of the mischievous moral voice we lost when we lost Kurt Vonnegut.” —San Francisco Chronicle “ These stories were all good when they were written decades ago, but many strike me as great now. Never has the voice of Kurt Vonnegut, humanist and humorist, been more relevant.” —The Seattle Times “ There ’s something distinctly timeless about Vonnegut ’s vision.” —Minneapolis Star-Tribune

A New York Times Notable Book from the acclaimed author of Slaughterhouse-Five, Breakfast of Champions, and Cat’s Cradle. At 2:27pm on February 13th of the year 2001, the Universe suffered a crisis in self-confidence. Should it go on expanding indefinitely? What was the point? There’s been a timequake. And everyone—even you—must live the decade between February 17, 1991 and February 17, 2001 over again. The trick is that we all have to do exactly the same things as we did the first time—minute by minute, hour by hour, year by year, betting on the wrong horse again, marrying the wrong person again. Why? You’ll have to ask the old science fiction writer, Kilgore Trout. This was all his idea.

A previously unpublished collection of six brief fiction stories, one non-fiction essay, and an unfinished science-fiction short story.
