This perennial best-seller is written for Advanced Grammar and Composition or Advanced Composition and Conversation classes. Repase y escriba combines solid grammar coverage with contemporary readings from a variety of sources, including literature, magazines, and newspapers. Readings are preceded by a short passage introducing the author and the context and is followed by vocabulary, comprehension questions and conversation prompts. The Sección léxica teaches readers proverbs, idioms, and word families. There are also topics for creative compositions with guidelines. With updated literary and cultural readings, Repase y Escriba includes an "oral exchange," to make the text more useful when stressing conversation.

Widely praised for its balanced treatment of computer ethics, Ethics for the Information Age offers a modern presentation of the moral controversies surrounding information technology. Topics such as privacy and intellectual property are explored through multiple ethical theories, encouraging readers to think critically about these issues and to make their own ethical decisions.

For courses in Elementary Spanish A flexible introduction to Spanish that focuses on culture as well as language ¡Arriba! Comunicación y cultura provides a rich, complete, and highly flexible communicative language program that enables instructors to teach the course how they like within a variety of academic settings. Authors Eduardo Zayas-Bazán, Susan Bacon, and Holly Nibert give educators the tools to "speak" in their own voice -- their own unique teaching style -- while delivering a successful and rewarding learning experience. The 7th Edition has been thoroughly updated to offer a new design, fresh chapter openers, and improved vocabulary and grammar coverage in order to better help students master the language and culture of the Spanish-speaking world. Available packaged with MyLab(tm) Spanish, packaged with Duolingo, or as a standalone text. MyLab is the teaching and learning platform that empowers you to reach every student. By combining trusted author content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. Duolingo is the only language practice solution that encourages consistent, daily use from students. Built using principles of learning science and gamification, the Duolingo language learning app is mobile, easy, and fun -- and brings students back again and again. Note: You are purchasing a standalone product. Students, if interested in purchasing this title with MyLab or Duolingo, ask your instructor to confirm the correct ISBN and Course ID. Instructors, contact your Pearson representative for more information.
