One of The New York Times Book Review's "10 Best Books of 2015" An NYRB Classics Original The Door is an unsettling exploration of the relationship between two very different women. Magda is a writer, educated, married to an academic, public-spirited, with an on-again-off-again relationship to Hungary's Communist authorities. Emerence is a peasant, illiterate, impassive, abrupt, seemingly ageless. She lives alone in a house that no one else may enter, not even her closest relatives. She is

Magda's housekeeper and she has taken control over Magda's household, becoming indispensable to her. And Emerence, in her way, has come to depend on Magda. They share a kind of love—at least until Magda's long-sought success as a writer leads to a devastating revelation. Len Rix's prizewinning translation of *The Door* at last makes it possible for American readers to appreciate the masterwork of a major modern European writer.

A psychological novel about the memory of things in Europe's recent past interweaves the first-person narratives of a young Hungarian writer, his literary creation—an egomaniacal Marxist and aesthete—and his childhood friend. Reprint. 10,000 first printing.

When in 1705 Kornell Csillag's grandfather returns destitute to his native Hungary from exile, he happens across a gold fob-watch gleaming in the mud. The shipwrecked fortunes of the Csillag family suddenly take a new and marvelous turn. The golden watch brings an unexpected gift to the future generations of firstborn sons: clairvoyance. Passed down from father to son, this gift offers the ability to look into the future or back into history – for some it is considered a blessing, for others a curse. No matter the outcome, each generation records its astonishing, vivid, and revelatory visions into a battered journal that becomes known as *The Book of Fathers*. For three hundred years the Csillag family line meanders unbroken across Hungary's rivers and vineyards, through a land overrun by wolves and bandits, scarred by plague and massacre, and brutalized by despots. Impetuous, tenderhearted, and shrewd, the Csillags give birth to scholars and gamblers, artists and entrepreneurs. Led astray by unruly passions, they marry frigid French noblewomen and thieving alehouse whores. They change their name and their religion, and change them back. They wander from home but always return, and through it all *The Book of Fathers* bears witness to holocaust and wedding feast alike.

A New York Times Notable Book for 2011 In 1989, the year the Wall came down, a university student in Berlin on his morning run finds a corpse on a park bench and alerts the authorities. This scene opens a novel of extraordinary scope and depth, a masterwork that traces the fate of myriad Europeans—Hungarians, Jews, Germans, Gypsies—across the treacherous years of the mid-twentieth century. Three unusual men are at the heart of *Parallel Stories*: Hans von Wolkenstein, whose German mother is linked to secrets of fascist-Nazi collaboration during the 1940s; Ágost Lippay Lehr, whose influential father has served Hungary's different political regimes for decades; and András Rott, who has his own dark record of mysterious activities abroad. The web of extended and interconnected dramas reaches from 1989 back to the spring of 1939, when Europe trembled on the edge of war, and extends to the bestial times of 1944 – 45, when Budapest was besieged, the Final Solution devastated Hungary's Jews, and the war came to an end, and on to the cataclysmic Hungarian Revolution of October 1956. We follow these men from Berlin and Moscow to Switzerland and Holland, from the Mediterranean to the North Sea, and of course, from village to city in Hungary. The social and political circumstances of their lives may vary greatly, their sexual and spiritual longings may seem to each of them entirely unique, yet Péter Nádas's magnificent tapestry unveils uncanny reverberating parallels that link them across time and space. This is Péter Nádas's masterpiece—eighteen years in the writing, a sensation in Hungary even before it was published, and almost four years in the translating. *Parallel Stories* is the first foreign translation of this daring, demanding, and momentous novel, and it confirms for an even larger audience what Hungary already knows: that it is the author's greatest work.

The Bridge at Andau is James A. Michener at his most gripping. His classic nonfiction account of a doomed uprising is as searing and unforgettable as any of his bestselling novels. For five brief, glorious

Download Ebook Articles On Hungarian Novels Including Journey By Moonlight Novel The Gladiators Novel Capillaria The Paul

days in the autumn of 1956, the Hungarian revolution gave its people a glimpse at a different kind of future—until, at four o’clock in the morning on a Sunday in November, the citizens of Budapest awoke to the shattering sound of Russian tanks ravaging their streets. The revolution was over. But freedom beckoned in the form of a small footbridge at Andau, on the Austrian border. By an accident of history it became, for a few harrowing weeks, one of the most important crossings in the world, as the soul of a nation fled across its unsteady planks. Praise for *The Bridge at Andau* “Precise, vivid . . . immeasurably stirring.” —*The Atlantic Monthly* “Dramatic, chilling, enraging.” —*San Francisco Chronicle* “Superb.” —*Kirkus Reviews* “Highly recommended reading.” —*Library Journal*

Two cousins spend an adventurous summer on a ranch on the Hungarian plains.

This exceptional bibliography, a pioneer work in its field, surveys Hungarian literature from its beginnings to 1965. Tezla begins his coverage of each author with a brief biographical account offering pertinent data on family background, education, and literary activities. The sketch provides observations on the writings of the author and his place in Hungarian literature, and a record of the languages into which his works have been translated. Further material on the author is divided into annotated sections noting bibliographical, biographical, and critical studies.

A remote 18th-century Hungarian castle is the setting for a dramatic meeting. Forty-one years after a tragic event two former friends must confront each other in a devastating bid to lay the past to rest. Betrayal, love, truth and friendship all come to the fore in this unforgettable play based on Sndor Mrai's bestselling novel. *Embers* premiered at the Duke of York's Theatre in London's West End in February 2006.
