What is love? With this original story collection, David Levithan proves that love is a many splendored thing, a varied, complicated, addictive, wonderful thing.

Five stories relate the adventures and misadventures of Adam Joshua as he contends with the first day of school, pretending to be sick, stealing a library book, making the scariest Halloween costume, and being upstaged at show-and-tell time.

The four stories and novella translated in this volume represent the best short fiction by Ishikawa Jun (1899-1987), one of the most important modernist writers to appear on the Japanese literary stage during the years before and after World War II. Throughout his career, Ishikawa resisted the tide of popular opinion to address issues of political and artistic significance and thereby paved the way for a generation of Japanese internationalists and experimentalists, including Abe Kobo and Oe Kenzaburo. Highly acclaimed and respected in Japan, Ishikawa remains little known in the West-in part because of the tendency of Western critics and readers of Japanese literature to focus on writers concerned with aesthetic issues. Combining a strong interest in politics with a brilliant use of modernist techniques, Ishikawa's work defies easy categorization. Banned in 1938, "Mars' Song" has been called the finest example of anti-war fiction written during Japan's march to war in China and the Pacific. In it Ishikawa denounces the chorus of jingoism that swept Japan, and via a metafictional tale within a tale, he warns against the suicidal destruction to which complicity in warmongering will lead. The allegorical "Moon Gems," written in the spring of 1945, further explores the tenuous position of the writer moving against the current in a country not only still at war but very near defeat. In "The Legend of Gold" and "The Jesus of the Ruins," both from 1946, Japan has been reduced to a charred wasteland yet Ishikawa envisions destruction as fertile ground for rebirth and resurrection. Finally, the semi-surrealistic novella The Raptor plumbs the meanings and possibilities of peace in the post-Occupation era. William Tyler's eminently readable translations are faithfully expressive of stylistic and tonal nuances in the original works. In a perceptive introduction and the critical essays that follow, Tyler emphasizes Ishikawa's importance as an anti-establishment--even "resistance"--writer and argues that the writer's political iconoclasm goes hand-in-hand with the modanizumu of his literary experimentation. The Legend of Gold will be of tremendous importance in enlarging a Western understanding of the development of the writer's role as social critic and the evolution of the modernist movement in postwar Japan.

Think It Can't Happen Here? Think Again: Operation Vigilant Eagle HR 347 Million Vet March IRS Targeting Bundy Ranch Ferguson Patriot Act Partisanship is on the rise, the economy is in a downward spiral, and there is a steady erosion of civil liberties. These factors all contribute to a plotline that is as unthinkable as it is inevitable. A Second American Civil War. From the backroom deals in Washington D.C. to the front lines of the battlefield. Daugherty offers an unflinching view of how a modern war on American soil would play out. A nightmare scenario which will come true.

A Vintage Shorts "Short Story Month" Selection Mrs. Emenike resents that her husband drives a Mercedes while she is relegated the "noisy Fiat," and she loathes the words "free primary education," a new government initiative for which three of her servants have abandoned her. But, when the program is recalled, ten-year-old Ver0, whose hopes of going to school have been dashed, is Mrs. Emenike's next willing recruit-young, innocent, and desperate to do anything and everything she must to earn an education. In this masterful story by "the father of Nigerian writing," Chinua Achebe portrays the devastating injustice done to young women by government corruption and wealth inequality. Selected from Achebe's much-lauded collection of short fiction, Girls at War. An ebook short.

"A rich, sensual, bewitching adventure of good vs. evil with love as the prize." --Publisher's Weekly on ETERNITY 300 years ago, Raven St. James was hanged for witchcraft.
