August 1914 is a Russian novel by Nobel Prize-

winning writer Aleksandr Solzhenitsyn about

the defeat of the Imperial Russian Army at

the Battle of Tannenberg in East Prussia. The

novel was completed in 1970, first published

in 1971, with an English translation the

following year. The novel is an unusual blend

of fiction narrative and historiography, and

has given rise to extensive and often bitter

controversy, both from the literary as well

as from the historical point of view. Some

episodes of

August 1914, historical novel by Aleksandr Solzhenitsyn, published as Avgust chetyrnadtsatogo in Paris in 1971. An enlarged version, nearly double in size, was published in 1983. The novel treats Germany's crushing victory over Russia in their initial military engagement of World War I, the Battle of Tannenberg. The action takes place over the course of three days.

~~August 1914~~

August 1914 is the portrait of a pivotal moment in Russian history, the defeat of the Russians at the battle of Tannenberg. However, it is also a tract expounding Solzhenitsyn's theme that our spiritual purpose is to take responsibility for what falls within our immediate sphere of influence.

painted a portrait of the statesman Pyotr Stolypin, scourge of the revolutionary left and reactionary right alike and the last best hope for Russia's salvation. Prime Minister of Russia from 1906 until 1911, Stolypin's abiding concern was to promote far-reaching agrarian reforms that would lead to the creation of a "solid class of peasant proprietors" in Russia.

the Russian Revolution In his monumental narrative of the outbreak of the First World War and the ill-fated Russian offensive into East Prussia, Aleksandr Solzhenitsyn has written "a dramatically new interpretation of Russian history" (Nina Krushcheva, *The Nation*). The assassination of the tsarist prime minister Pyotr Stolypin, a crucial event in the years leading up to the Revolution of 1917, is reconstructed from the alienating viewpoints of historical witnesses. The sole voice of reason among the advisers to Tsar Nikolai II, Stolypin died at the hands of the anarchist Mordko Bogrov, and with him Russia's last hope for reform perished. August 1914 is the first volume of Solzhenitsyn's epic, *The Red Wheel*; the second is November 1916. Each volume concentrates on a critical moment or "knot" in the history of the Russian Revolution.

~One word of truth shall outweigh the whole world~(tm) Aleksandr Solzhenitsyn In the first month of the First World War the Russian campaign against the Germans creaks into gear. Crippled by weak, indecisive leadership the Russian troops battle desperately, even as the inevitability of failure and their own sacrifice dawns. Solzhenitsyn's astounding work of historical fiction is a portrait of pre-revolutionary Russia, a tragic war story, and an epic novel in the great Russian tradition.

In his monumental narrative of the outbreak of the First World War and the ill-fated Russian offensive into East Prussia, Solzhenitsyn has written what Nina Krushcheva, in *The Nation*, calls "a dramatically new interpretation of Russian history." The assassination of tsarist prime minister Pyotr Stolypin, a crucial event in the years leading up to the Revolution of 1917, is reconstructed from the alienating viewpoints of historical witnesses. The sole voice of reason among the advisers to Tsar Nikolai II, Stolypin died at the hands of the anarchist Mordko Bogrov, and with him perished Russia's last hope for reform. Translated by H.T. Willetts. August 1914 is the first volume of Solzhenitsyn's epic, *The Red Wheel*; the second is November 1916. Each of the subsequent volumes will concentrate on another critical moment or "knot," in the history of the Revolution. Translated by H.T. Willetts.

A historical novel about the defeat of the Imperial Russian Army at the Battle of Tannenberg in East Prussia.

To commemorate the 100th anniversary of the Russian Revolution, the University of Notre Dame Press is proud to publish Nobel Prize-winner Aleksandr Solzhenitsyn's epic work *March 1917, Node III, Book 1*, of *The Red*

# File Type PDF August 1914 Aleksandr Solzhenitsyn

Wheel. The Red Wheel is Solzhenitsyn's magnum opus about the Russian Revolution.

Solzhenitsyn tells this story in the form of a meticulously researched historical novel, supplemented by newspaper headlines of the day, fragments of street action, cinematic screenplay, and historical overview. The first two nodes—August 1914 and November 1916—focus on Russia's crises and recovery, on revolutionary terrorism and its suppression, on the missed opportunity of Pyotr Stolypin's reforms, and how the surge of patriotism in August 1914 soured as Russia bled in World War I. March 1917—the third node—tells the story of the Russian Revolution itself, during which not only does the Imperial government melt in the face of the mob, but the leaders of the opposition prove utterly incapable of controlling the course of events. The action of book 1 (of four) of March 1917 is set during March 8–12. The absorbing narrative tells the stories of more than fifty characters during the days when the Russian Empire begins to crumble. Bread riots in the capital, Petrograd, go unchecked at first, and the police are beaten and killed by mobs. Efforts to put down the violence using the army trigger a mutiny in the numerous reserve regiments housed in the city, who kill their officers and rampage. The anti-Tsarist bourgeois opposition, horrified by the violence, scrambles to declare that it is provisionally taking power, while socialists immediately create a

# File Type PDF August 1914 Aleksandr Solzhenitsyn

Soviet alternative to undermine it.

Meanwhile, Emperor Nikolai II is away at military headquarters and his wife Aleksandra is isolated outside Petrograd, caring for their sick children. Suddenly, the viability of the Russian state itself is called into question. The Red Wheel has been compared to Tolstoy's War and Peace, for each work aims to narrate the story of an era in a way that elevates its universal significance. In much the same way as Homer's Iliad became the representative account of the Greek world and therefore the basis for Greek civilization, these historical epics perform a parallel role for our modern world.

The month of November 1916 in Russia was outwardly unmarked by seismic events, but beneath the surface, society seethed fiercely. In Petrograd, luxury-store windows are still brightly lit; the Duma debates the monarchy, the course of war, and clashing paths to reform; the workers in the miserable munitions factories veer increasingly toward sedition. At the front all is stalemate except for sudden death's capricious visits, while in the countryside sullen anxiety among hard-pressed farmers is rapidly replacing patriotism. In Zurich, Lenin, with the smallest of all revolutionary groups, plots his sinister logistical miracle. With masterly and moving empathy, through the eyes of both historical and fictional protagonists, Solzhenitsyn unforgettably

# File Type PDF August 1914 Aleksandr Solzhenitsyn

transports us to that time and place--the last of pre-Soviet Russia. Translated by H.T. Willetts. November 1916 is the second volume in Solzhenitsyn's multi-part work, the Red Wheel, following August 1914. The final volumes will deal with March and April of 1917. Each volume concentrates on a historical turning point, or "knot," as the wheel rolls on inexorably toward revolution.

Tom Swift and His Aerial Warship is the 18th book in the original Tom Swift series. "Every boy possesses some form of inventive genius. Tom Swift is a bright, ingenious boy and his inventions and adventures make the most interesting kind of reading." "These spirited tales convey in a realistic way, the wonderful advances in land and sea locomotion and other successful inventions. Stories like these are impressed upon the memory and their reading is productive only of good." This series of adventure novels starring the genius boy inventor Tom Swift falls into the genre of "invention fiction" or "Edisonade".

Speeches given to the Americans and to the British from June 30, 1975 to March 24, 1976.
